2025-2026 PRICING GUIDE
SHORT FILM + PHOTOGRAPHY

Jasmine Lynn + Team

"MY FAVORITE THING ABOUT ISHOT STUDIOS WAS FEELING HOW EXCITED SHE IS ABOUT WHAT THEY DO. SHE TRULY IS IN LOVE WITH LOVE — AND YOU COULDN'T ASK FOR ANYTHING MORE FROM YOUR WEDDING PHOTOGRAPHERS."

Scott & Julia

welcome

CONGRATS ON YOUR RECENT ENGAGEMENT

THE PHOTOS WE CREATE TOGETHER
WILL BE YOUR HEIRLOOMS.

I'm thrilled you're considering us to be invited into your love story!
Wedding film and photography is one of the most important investments
you will have for your wedding day.

When this day finally has come to an end, the teary-eyed toasts have been
shared, your dress is hung, you will have wedding photos to look back on
and wonderful motion movies to watch and share throughout the years.

Spend some time reviewing this pricing guide and let me know if you
have any questions or concerns. If you feel like we'd be a wonderful
match for each other, let's connect!

A romantic couple is shown in a close embrace, nearly kissing, in a forest setting during the "golden hour" of sunset. The man, on the left, has a beard and is wearing a light blue button-down shirt and dark trousers. The woman, on the right, has long dark hair and is wearing a long, flowing, light-colored dress. They are holding hands and looking at each other. The background is filled with the silhouettes of tall trees, and the warm sunlight creates a soft, hazy atmosphere with visible light rays. In the lower right background, a smaller, out-of-focus version of the same couple can be seen walking away. The overall mood is intimate and romantic.

The love doesn't have to be perfect

It just has to be ours...

Meet the Team

I am Jasmine Lynn, a storyteller for loving art enthusiasts. We travel all over making connections with couples in love, helping them to create art from their timeless romance.

We are here to guide you and document the most important day or weekend of your lives. While we love to photograph weddings we only accept a limited amount of wedding dates each year.

This allows us time to focus on you and your vision.
