RENTER CHECKLIST

Based on your expenses outlined above, what is your weekly break even income behind the chair?

Now, what is your goal annual net income?

Finally, what is your target weekly income?
(net goal/12 + weekly expenses)

Example:

Break Even \$250

\$20,000 annual goal

Target: \$1917/week

"When you're determining whether to be a booth renter or commission stylist, it's important to crunch the numbers."
