DEBOSSING

We offer three tiers of debossing for personalizing your covers. Standard Debossing includes 14 plain text options on up to two lines; the Debossing Collection offers 16 premade and semi-custom designs; and, Custom Debossing offers the freedom to submit any unique design, in a small or a large size - small designs measure 4x2 inches and large designs measure 7x3 inches.

Blind debossing is our default style of debossing, which means no color or foil is added to the impression. Foil debossing is available on Classic Linen, Luxe Linen, Luxe Leather, Vegan Leather and Vegan Suede covers, in gold, rose gold, and silver.

MOONSTONE

Note: Some cover materials deboss more clearly than others. For materials that are hard to deboss, we recommend using a cameo instead.

DEBOSSING

STANDARD DEBOSSING

Standard debossing is our base-level debossing option. We offer 14 font types, and you can choose up to two lines of text and any letter case of your choice.

DELUXE DEBOSSING COLLECTION

With the **Deluxe** Debossing Collection, you can avoid any design work and choose from one of our 16 pre-made designs. Options include script fonts, bold fonts, and various unique design elements.

NOTE: The examples above are not precisely to scale. Please see our [Debossing Collection Size Guide](#).

DEBOSSING

CUSTOM DEBOSSING

For a truly unique cover, you can create a custom die for each album. This is a great way to use the same font or design elements from your branding, custom design elements from your wedding (invitations, programs, etc.).

SUEDE DRIFTWOOD

CHARCOAL

NOTE: The best Custom Debossing designs are made from clean, clear lines. Please avoid painterly designs, as they can come across as messy and muddy. And, be cautious when using extra thin fonts, as they can be difficult to read on materials with more texture, like Luxe Linens and Fabrics.
