

# SNOWCAT SING A LONG

## SNOWCAT POKEY

You put your cat paws in  
You put your cat paws out  
You put your cat paws in  
And you shake them all about

You do the snowcat pokey  
And you turn yourself around  
That's what its all about

You put your cat ears in  
You put your cat ears out  
You put your cat ears in  
And you shake them all about

You do the snowcat pokey  
And you turn yourself around  
That's what its all about

You put your whiskers in  
You put your whiskers out  
You put your whiskers in  
And you shake them all about

You do the snowcat pokey  
And you turn yourself around  
That's what its all about

You put your tail in  
You put your tail out  
You put your tail in  
And you shake it all about

You do the snowcat pokey  
And you turn yourself around  
That's what its all about

## I'M A LITTLE SNOWCAT

I'm a little snowcat  
Look at me  
These are my whiskers  
As you can see  
These are my eyes  
And this is my nose  
I wear a purple scarf  
Burr its cold

## SOPHIE THE SNOWCAT

Sophie the Snowcat  
Was as happy as she could be  
With a set of whiskers and stick made arms  
And two eyes so she can see

Sophie the Snowcat  
Is just pretend they say  
She is made of snow  
But all the cats know  
She can come to life and play

There must of been some magic  
In that old purple scarf they found  
For when they placed it on her neck  
She began to prance around

Sophie the Snowcat  
Was as fun as she could be  
She likes to meow  
With you here and now  
And dance and jump with glee

## JINGLE CATS

Dashing through the snow  
In a cozy cat-made sleigh  
Over the hills we go  
Meowing all the way  
Bells all around us ring  
Glowing winter light  
What fun it is to ride and sing  
A snowcat song tonight

Jingle cats, jingle cats  
Jingle all the way  
Oh what fun it is to purr  
And to find some yarn to play

Jingle cats, jingle cats  
Jingle all the way  
Oh what fun it is to purr  
And to find some yarn to play
