WHAT CLIENTS AND STUDENTS ARE SAYING

"I'm very excited to add your expertise to our Expert Insights series! This course was so helpful for me personally to learn as we shot, so I can't wait for our learners to gain this valuable information, too! " - Director of Content

Jacqui C. - Student

"No one's explained finance and investing to me this way before. Debra makes it so easy to understand."

"Your event was so educational and informative in such an approachable way!" - Megan Lund, Event Curator

Your Partner in Financial Education

Companies hire Debra Ohstrom, MBA, CFA to help educate employees on finance and investing topics. This increases participation in 401k and other retirement plans as well as encouraging employees to set money goals and build a financial plan.

83% of people who create a financial plan feel better about their financial situation within 12 months and that is regardless of their income level.
