WHAT PEOPLE HAVE SAID...

"Dana was a fantastic asset at the 2019 Dress for Success Affiliate Leadership Conference in Vancouver, Canada, where she shared her expertise in nonprofit digital strategies.

Her interactive workshop helped session-goers learn how to analyze their audience and create purpose-driven content, yielding impactful results. **Attendees provided positive feedback, saying that Dana was both knowledgeable and highly engaging.** Dana was a pleasure to work with and comes highly recommended!"

- Sarah Bove, Affiliate Relations Sustainability Specialist, Dress for Success

"Given the COVID-19 crisis, our 2020 Census partners in Orange County -- about 45 nonprofits -- had to quickly pivot to digital outreach. Many partners sought assistance with social media, and so I reached out to Dana for help.

Dana hosted a webinar for our partners. The training was **AMAZING**.

Partners said afterward, **it was the best social media webinar they've ever experienced.** I 100% recommend Dana's training and services to any nonprofit out there."

- Sarah Middleton, President & CEO, Middle Up

Dana Snyder is a true expert in her field. With her deep knowledge, intuitive teaching, and simplified approach, she shared with our participants her best tips for producing results and knocked it out of the park.

Everyone needs a Dana in their lives. **We came away from the session feeling inspired, motivated, and much more knowledgeable.**

- Kirsten Stevens MBA, CFRE, CEO at The Kannico Agency

"Dana is an engaging, energetic, and incredibly knowledgeable speaker! **Her presentation makes you feel like you are sitting in the room with her.**

She takes the time not only to explain key concepts, but show them in action. She was able to introduce new topics and techniques to our audience that left them feeling inspired, rather than overwhelmed. I would absolutely recommend any kind of learning coming from Dana.
