

About Us

RLMO is a one-year, residential restoration and re-entry program in Rutherford County, TN, for men, ages 25+, who are overcoming addictions and other life-controlling issues. The program was founded in 1995 by Basil and Naomi Adams. We address the root causes of substance abuse and other addictions and, through our faith-based discipleship approach, help men to seek health on all fronts: physical, spiritual, emotional, mental, relational, and financial.

Our Mission

We serve Jesus by helping men help themselves.

The goal of Renewed Life Ministries Outreach is to provide a safe environment where men with life-controlling problems such as drugs and alcohol abuse, can experience life transformation through a relationship with Jesus Christ.

The discipleship training program is designed to initiate the discipleship process, which will enable students to function as Christians in society, applying biblical principles to relationships in the family, local church, chosen vocation, and the community.
