

ROSE + NICOLAS

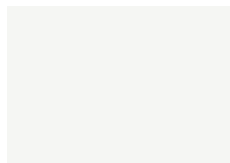

10.13.18

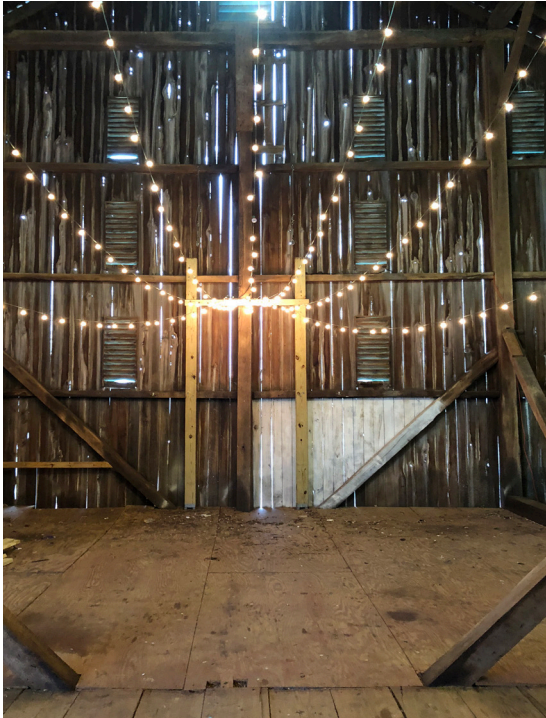

OVERALL DESIGN

For Rose and Nicolas, we will create a timeless Fall wedding, with dusty grey-blues, creamy tones, and pops of blush and gold for a romantic evening.

CEREMONY DESIGN

Ceremony setup with venue provided chairs, and a romantic ceremony styling with pampass grass, pumpkins with gold stems, and creamy / blush / greenery florals.

We also need about 30 ft. of creamy white pipe and drape across the back of the room to hide the back area.

DINNER DESIGN.

Option A: Gold leaf on
White base Plate

For an elegant romantic
tablescape we will
focus the design on the
gold, white, and blue,
and let the flowers bring
in the creamy tones and
blush accents, to offset
the blue and creamy
pumpkins we will use to
accent the table.

Option B: Elegant gold
confetti

Clear glassware with gold
rim, blue water goblets

Venue provided chairs

Option C: Gold scallop

White floral table cloth
on top of ivory linens

Blue velvet Guest linens/
Marsala Napkins

Velvet Cocktail Tables

Gold Dinner chairs

FLORAL DESIGN.

Centerpiece A : Organic arrangements, heavy in wispy greens with SOME cream, blush and tiny pops of blue thistle in the arrangements. Gold compotes.

Floral accents

Centerpieces to be accented with dusty blue and white pumpkins with gold stems

Centerpiece B : Three glass vases with floating candles and a wreath of greenery to match the other centerpieces, wrapped around it.

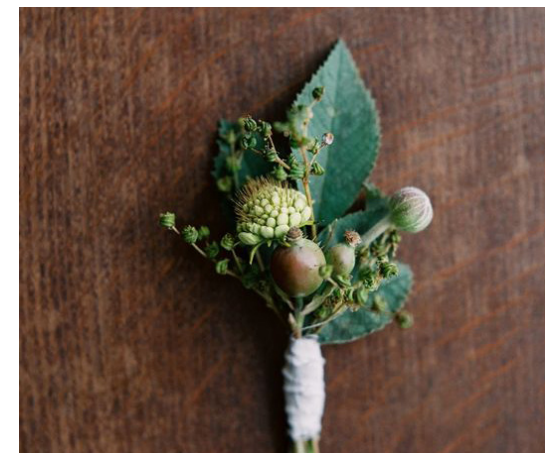

FLORAL (PERSONALS)

Bridal Bouquet in creams and a FEW soft pink accents, with dusty blue silk ribbon

Bridesmaids Arrangements
smaller, with cream ribbon

Boutonnières of greenery

WOW.

A Blue ombre wall with light greenery, and calligraphy escort cards would be amazing.

Some nice fall favors like a custom mug and some baked goods would be nice to give to guests.

Maybe a late "summer camp" esque snack like pretzels would be great.

No antlers proposed, but a wall of china plates with calligraphy seating chart would be super fun and elegant.

CAKE + DESSERTS

Cake design ideas; going for simplistic, elegant and clean.
We will make sure florals match centerpieces.
