At Atelier Capretto LLC, we are committed to making our website and online learning experience accessible to all individuals, including people with disabilities. We actively work to ensure our Site and digital content comply with current accessibility standards.

Our Accessibility Commitment

We strive to meet or exceed the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, including:

- Resizable text without loss of functionality
- Captioning or transcripts for video and audio content (ongoing)

Our website is built and hosted using **ShowIt**, and our online courses are hosted on **Teachery**, both of which support modern accessibility practices.

Ongoing Improvements

Accessibility is an ongoing effort. As we continue to update and enhance our content — including course videos, product pages, and educational materials — we will prioritize accessibility improvements and industry best practices.

If you encounter accessibility barriers, we want to know so we can fix them quickly.

Third-Party Content

Some content or services (like Shopify checkout or embedded third-party resources) are not fully controlled by us. We cannot guarantee they are fully accessible but will support reasonable accommodations when possible.
