Table Guide

*The lingo: Meadows are flush with the table and appear vessel-less as if grown.
Footed bowls are ceramic white bowls elevated by a short stem.*

The quantities: We recommend table meadows for narrow long tables, footed bowls for round tables and either for wide long tables.

If you're not having sharing plates, we would sprinkle a few bud vases between arrangements for a fuller tablescape.

A rough formula:

*1 arrangement and 2 candles per 5 guests or
1 arrangement, 2 bud vases and 2 candles per 6 guests*

However, after seeing your inspiration, we can give you suggestions on to achieve your desired look and table fullness.

- Upon enquiry, we will confirm our availability and send a brief design questionnaire. Upon completion, you will receive a quote, a mood board based on your colour palette, and our candle colour options document. A deposit of £250 is then required to secure your date. The remaining balance is due 30 days prior to your wedding.
- All intimate wedding collection orders are subject to a delivery fee of £100. This covers our travel, parking, congestion charge as well as time delivering your personal flowers and setting up your reception space with great attention to detail, ready to welcome you and your guests post-ceremony. Delivery of bouquets and buttonholes is to one address within 5 miles of the reception venue. Further travel will incur an extra fee.
- Our minimum order total is £900 excluding this delivery fee.
- The colour palette of the florals is completely your choice. We will select flower varieties based on seasonality, inspiration images you have provided, and our signature style.
- Taper candles will be provided in 1-2 colours of your choice- we have 40 colours available.
- Additional types of design can be added upon request i.e. sign flowers, cake flowers, fruit styling. Please outline what you are looking for in your design questionnaire.

We are sure your guests will love the gift of an arrangement and we design them in a way that is easily transportable and without spillage. However, if they decline, you are responsible to take these away with you unless the venue is happy to dispose of them. If this is of inconvenience, please let us know and we can arrange collection/clear for an additional fee (typically £75 for central London venues).
