JOURNAL PAGES

Here, you can have a conversation with God, your Father, who created you, loves you, and has a plan for your life. Answer these questions in his sight or to ask him questions of your own.

What gifts did God give you when he made you? How have you tried to strengthen these gifts?

How can you use them for others?

Sometimes our gifts aren't as easy to see as those of others. If you had trouble thinking of your gifts, ask the Holy Spirit to reveal your gifts to you and show you how to use them. Perhaps you are patient, generous, forgiving, or kind. These are gifts you can use to serve Christ!

Your vocation is the unique way God is calling you to holiness. Through prayer, St. Thérèse of Lisieux came to see that her vocation was to love. Do you have an idea of the vocation God has for you? He might call you to religious life, married life, or consecrated single life. He also might call you to a particular kind of work or study. What signs do you see in your life now that might lead to what God has planned for you in the future?
