Walters Wedding Estates Transforms Champ D'Or Into Luxury Wedding and Event Venue, The Olana

Hickory Creek, TX – Once the largest home in Texas, sitting on a 40-acre estate in Denton County, Champ d'Or transforms into a luxury wedding and event venue. Walters Wedding Estates renovated this architectural marvel, inspired by the French chateau Vaux-le-Vicomte, and now boasts updated furnishings, built-in bars, a new event space add-on to host up to 275 guests for a seated wedding or event, and more. Many of the mansion's original amenities such as the private bowling alley, the indoor and outdoor pool, and theatre remain, allowing guests to indulge in this venue rich with elegant details.

This impressive renovation brings a European luxury aesthetic to the Dallas/Fort Worth wedding industry and provides an elegant space for couples and clients looking to celebrate their momentous occasion. The Olana opens for its first event in June 2019!

Walters Wedding Estates is nationally recognized by **The Knot** and **WeddingWire** as several of the Top Venues in America. They own and operate over 22 Reception Halls in Dallas/Fort Worth and the Austin/San Antonio Hill Country. Known as a wedding industry leader, they offer several packages and venues to fit each couple's or client's unique needs.
