Thomasville Police Dept & TPS Reading Day - monthly

We loved having the Thomasville Police Department join our kindergarten students for a special reading day! Our officers took time to share stories, smiles, and encouragement – showing students that reading is for everyone and that our community cares about their success both in and out of the classroom.

Lunch just got a little toasty! 🔥 Our elementary school students loved hanging out with fire department heroes during our Lunch Buddies program! We love seeing our community connect with kids in such a meaningful way. Thank you to Thomasville Fire for coming out to support our students!

Our students are buzzing with excitement! 🐝 Mrs. Collins is kicking off her Reading Bee Challenge to spark a love of literacy and see who knows their stuff! Thank you Mrs. Collins for finding unique ways to make reading fun!
