WHAT OUR CLIENTS SAY

FULL PLANNING

What can I say! Rachel took my vision and brought it to life...and then some. Her support, skill and organisation were second to none and because I was able to put my trust in her and her lovely team, I knew that everything would work out just perfectly - and it did! I can't thank Rachel enough for the hours of chatting on the phone to me, chasing down suppliers, and guiding my creativity to result in the most spectacular day, that many weeks on, people (including myself and my new hubby) are still raving about!

Lauren & Dane, Elmore Court

I can't even put into words how incredible Rachel was at producing the most spectacular, special and out of this world day for us. From start to finish her attention to detail, organisation, calmness and kindness went far beyond anything, nothing was too much however elaborate, wild or annoying and on the day she managed everything so smoothly and beautifully. Everything ran like clockwork and she worked so hard, I really could NOT recommend Rachel and her team at Salt and Scent more!

Eliza & Simon, Marquee in The Cotswolds

ON THE DAY MANAGEMENT

"Rachel is AMAZING – don't hesitate to book her!

I honestly don't know what we would have done without her. She came highly recommended by a friend who said she was brilliant, and they were absolutely right.

We couldn't have done it without you.

Thank you so much for everything!"

Charly & Steve, Marquee in Henley on Thames
