CLIENT TESTIMONIALS

MACY JOHNSON, IFG INSURANCE

I have had the pleasure of multiple shoots with Christine.. and I have been absolutely blown away with the images I get back from her!! She makes the process of prepping outfits and colors to location and aesthetics so seamless. She's brings an energy that's easy to feel comfortable in front of a camera!! I will always recommend Christine!!

JANAE ROWE, DESERT BRANDING

I'm in the branding industry and Christine's branding photos for individuals and groups are outstanding. I've worked with her for several years and see the work she does for other people, too, and it truly elevates all of their marketing efforts. You have to look the part and she helps you do just that 🙌

ADRIANNE LYNCH, LYNCH TEAM REAL ESTATE

Christine has an incredible eye for detail, lighting, and capturing authentic moments. Whether it's real estate, branding, or lifestyle shots, she makes everyone feel comfortable and confident in front of the camera. Her turnaround time was fast, and the quality of the photos exceeded our expectations. If you're looking for someone creative, professional, and truly passionate about their craft—Christine is your girl!

ANDI OTT

Christine has an incredible eye and a true gift for making people feel at ease in front of the camera. I'm not someone who usually enjoys being photographed — but she completely changed that experience for me. From helping me choose outfits to giving just the right amount of direction during the shoot, she offered so much support and encouragement. The actual session was relaxed, uplifting, and even fun. And the final photos? Absolutely stunning. She captured me in a way that felt both beautiful and authentic. I'm so grateful for these images and highly recommend Christine to anyone looking for meaningful, high-quality photography.
