

KRISTA PAIGE

MOTHERHOOD + FAMILY OFFERINGS

Welcome!

Hey there, friend. I'm Krista - a wedding and family photographer in Lakeville, Minnesota .

I capture photographs you'll look back on for years to come. From marriage through parenthood, documenting these fleeting years, allowing your memories to be kept.

Offerings

I offer an all inclusive package. My pricing includes both the session and the digital images, as well as a print credit to encourage you to get your images off of the computer and into your hands.

PRINTS

Your session includes a \$50 print credit, which can be used to purchase prints for your walls. The credit can be used via your online gallery, where you are guaranteed to receive the highest quality products from my professional lab.

CLIENT WARDROBE

I offer a selection of women's and children's clothing available for use with every full session. These pieces have been selected because they photograph beautifully and flatter many body types, and many are maternity friendly. I currently have pieces in women's sizes XS through XXL. I am always working to expand my collection, so if I do not have a piece that fits you, I would love to chat and find something perfect! My children's pieces are in assorted sizes and styles.

IMPORTANT NOTES

All images are delivered via a private online gallery, and are hosted online for 30 days for you to download and select your prints.

Booking & Details

Because my weekends are filled with weddings, I shoot family sessions on weekday evenings, typically 2 hours before sunset.

Half of your session fee is due in order to book your session (I create a payment plan for collections), and holds your date on my calendar. No dates are reserved until this is paid, and it is non refundable.

I will provide you with a contract containing all of the details of your session, which can be easily signed online.

When you're ready to book, let me know and I'll send an invoice your way and we'll secure your date!

FAQs

Q: Any ideas for locations?

A: *You can find locations I frequently use at www.kristapaige.com/locations, but I also LOVE it when my clients pick a location that is special or sentimental to them in some way! As long as the lighting is right, I can make any location look great!*

Q: How long until I get my photos after our session?

A: *My turnaround times are some of the fastest in the industry! In 2 weeks I'll have your gallery edited and a link emailed to you.*

Q: Do I have to credit you when I share my images on social media?

A: *I always appreciate being tagged in any social media posts so that fans of your photos can find their way to me as well, though of course this is not required!*

Q: What if I refer someone to you?

A: *If you refer a new client to me, let me know and you will receive an additional \$50 print credit to use on your own gallery (or for a future session's gallery). Your referrals are SO appreciated and they keep my business running!*
