

WINTER 2020

THE PACKAGE

“Coming together is a beginning, staying together is progress, and working together is success.”

Henry Ford

Having a partnership means two common but different brands can come together, serve their communities and benefit equally. We hope to achieve that with our limited partnerships. We want so much for your community to win and to join us on our adventure to win as well.

Since you've come this far, read on to see the details for this partnership and I hope to see you, your staff, and your community in the studio soon!

To your continued success,

Niche

What to Expect From a Partnership with the Studio

The benefits to working at The CHAI Cowork Studio far outweigh the costs. We look forward to building our brand while you build yours. Our commitment to safety and service to you is our number one priority.

Here are some facts...

EXPECTATIONS	Treat the studio as if it were your own. We promise our benefits and rely on your honesty.
PRICING	We've priced our membership packages to beat our competition. Your community can rely on consistency.
TOGETHER	We'll work together to provide the best in service to our community and yours!
PROMOTION	We count on your promotion to keep us moving! The more you promote, the more goodies you get!
HOURS	Our hours are earlier and later than most to accomodate a wider range of creatives. M-Sat 7a-7p (Sat's can be reserved for events)

CREATE YOUR CODE

01

Once approved, you will create a custom code specific to your brand. When anyone uses your code, they'll receive 10% off their membership package plus their first week is FREE when they enroll.

GRAB YOUR GOODIES

03

Once you, your staff or anyone in your community uses your code to enroll in a membership, you will automatically be able to reserve the studio once for that month for FREE. You can host an event, class or workshop! (5 hour event limit) Who doesn't need free event space?

PROMOTE THE STUDIO

02

Next, tell your community about the CHAI Cowork Studio. We have posts and captions for you to use at your disposal.

Limited Partners

Our Studio has a max membership to ensure the safety and security of our members and the building.

Once memberships have been maxed per our safety count, the partnership package will close.

Our partnerships are first come, first serve and rotate on a monthly basis. We are currently opening three slots for partnerships.

Partnership studio space rentals are free to reserve, once per 30 day period for every month your code is active with one or more members.

Nights and Saturdays are open to reserve. Sundays we are closed!
