FAQ:

Q: How do you handle payment?

A: Payment is taken anytime from the day we book to the day of the shoot. I do not require a deposit to shoot, but I must receive payment before any images are delivered.

I take cash, check or card – whatever is easiest for you! If card, I'll send you a secure link to pay through.

Q: How will we get our photos?

A: I will send a link to a digital gallery. This gallery link is sharable (you can send it to family/friends to view + save).

You can download images directly from the digital gallery – there is no limit to downloads.

Q: Do you retouch all the images?

A: All delivered images will be lightly retouched to address blemishes, stray straps/clothes, anything distracting in the photo, etc.

I do not generally remove scars, moles, or tattoos unless requested.

Q: How long until we receive photos?

A: My typical turnaround time is two weeks.

If you have not received photos two weeks from the date of the shoot, please shoot me a message!

Q: What if it's supposed to rain the day of the shoot?

A: As we know in lovely Louisiana, weather changes quickly. I'll consult with you 1-2 day(s) before the session if there is a possibility of rain.

If it does rain on the day of the shoot, we will find a day to reschedule the session. Weather does sometimes happen, but I am always flexible in adapting to the situation.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

MEET THE PHOTOG:

I'm Rebecca! Lover of Life!

And also a photographer too, but mainly that first one :)

I am passionate about the beauty of life and the belief that every story is with remembering. When I shoot, I strive to celebrate the beauty of life's moments, knowing laughter and connection are as important as the images we create.

I am also the owner & principal photographer of Rebecca Warren Photography. I absolutely adore my job and am so blessed to get to work with such wonderful people each day!

Based out of Louisiana, I've been shooting professionally for over five years now. There isn't a day that goes by that I don't have my camera and tripod in-tow!
