A PROPHETIC WORD FOR 2021

Evangelist Jonathan Shuttlesworth

2021: The Year of Divine Judgement Against The Enemies of God's Children.

In 2020, we found out who was on The Lord's side. There was a major separation between those who bowed to the fear of man and those who stood with Christ, and His church. Judgement must first begin in The House of God and it did! Many ministries will never be heard from again—properties empty. But those who remain have changed levels!

2021 will be a year of God's Judgement against the enemies of The Church.

WHATEVER SATAN MAY TRY; HE HAS ALREADY FAILED. In 2021, God will destroy the plans of the wicked to stop the advancement of The Gospel. Politicians full of the antichrist spirit are intent on stopping the multiplication of The Church. But Christ is not returning for a weak, defeated church. He is coming back for a glorious, victorious bride. God will personally undo "The Global Reset."

Like Elymas in Acts 13, leaders intent on standing against The Church will be personally judged and removed. Some from office. Some from the earth.

2021 WILL SEE THE EXPLOSIVE MULTIPLICATION OF THE CHURCH.

The challenges of last year have left humanity broken, fearful, and searching for answers that only The Savior can give. Desperately hungry hearts will be changed by the love, healing and strength of Christ en masse. Satan will be forced to let go of his captives in record numbers!

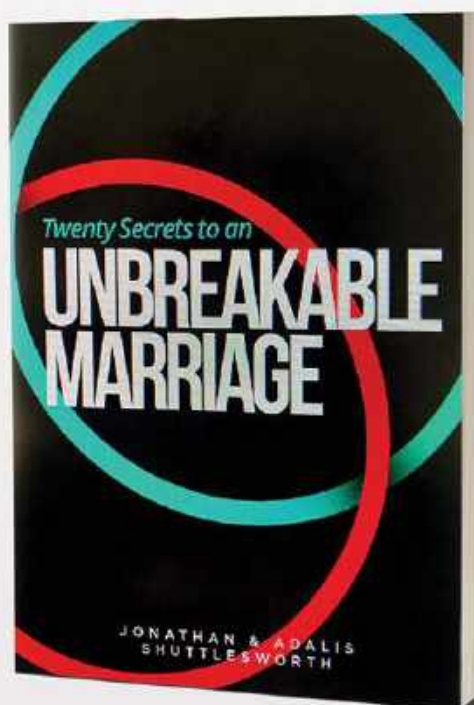

FINALLY... everything that can be shaken, will be shaken. The shaking on the world financial system will cause the wealth of all nations to come in to The Temple. The wealth of the wicked cannot stay in their possession. Wealth must change hands. As God caused His children to receive the wealth of their Egyptian captors; God will make Satan pay those in Holy Covenant with Him.

Don't listen to the fearful report of the world. You have already won the victory. This year, just like in 2 Chronicles 20, you will not spend time fighting The Enemy—only gathering up the spoil!

God instituted The Law of First Things. If you give Him your first—He will make your vats to overflow with good wine & your barns with grain. If you give Him what's first—He will make you first in life. You can't put God first and finish second in life!

I was healed...

“

My wife and I attended three meetings in Louisville, Kentucky. The messages were powerful. Over a year ago, I had a rotator cuff surgery and I was still in pain. The pain was bad that night. I had a hard time lifting my arms in worship. After Jonathan prayed for me, what felt like electricity ran through my shoulder and the pain left immediately. Praise God! I love listening to your messages and Check the News. We love you. God bless you and your family and your ministry. Keep up your work – it's a blessing!

YEAR OF ————— ACCELERATED HARVEST

A smiling man in a suit is shown from the chest up, with a robotic arm on his shoulder. The background is a blurred industrial or agricultural setting. Overlaid on the image is a large orange '2020' where the final zero is replaced by a circular arrow icon pointing left. Below the year, the text 'YEAR IN REVIEW' is centered.

YEAR IN REVIEW

YEAR OF ————— ACCELERATED HARVEST

The beginning of 2020 started with our annual 21 days of prayer and fasting. We experienced immediate increase in the ministry when we acquired a second building, debt-free.

In mid-March, everything that 2020 had to offer seemed to come to a complete halt. We all witnessed one of the biggest assaults on American freedoms through tyrannical local governments and the mainstream media. It seemed like every news outlet forgot how to report facts and only wanted to promote fear.

This is when the Lord spoke to Ev. Jonathan to minister to people's spirits in the mornings and deal with their minds in the evening. This was the genesis of our nightly broadcast – Check the News.

Ignite your faith for unceasing victories.

Last year we experienced an unprecedented challenge on religious freedom. But what was more disheartening, was the alarming majority of pastors who complied without question and closed their church doors. Pastor Rodney Howard-Browne refused to be one of them and was ultimately arrested for non-compliance with the government's illegal orders.

Word spread quickly when the media found out that Ev. Jonathan intended to hold an outdoor Easter service. The media vilified our plans and fueled an outpouring of hate mail and phone calls. We received multiple death threats and the volume of calls was so high that we were forced to disconnect our phone lines for three days.

We continued to stand up for our religious freedom and held outdoor revival services in Huntington, TX. We saw mighty miracles, souls saved, and the testimonies are still coming in.

During the summer Ev. Jonathan had the honor of preaching at Pastor Rodney Howard-Browne's The Stand for several weeks.

We released our new app and 24-hour Revival Today Global Broadcast network. This not only offers on-demand access to all of our videos, but also enables viewers to watch live broadcasts directly through the app.

Through RTGB we broadcasted live on television every week in Africa and the US.

There was incredible growth in the ministry through *Check the News*. We broke viewership records across all platforms and had a continuous flow of testimonies come in. Included in these testimonies were letters from prison inmates sharing how the Lord has touched them.

We also had our first ever LIVE zoom healing services where Evangelists Jonathan and Adalis were able to connect and pray for people right on the screen.

Morning Prayer with Evangelist Kofi continued to be the best way to start your day with powerful prayer and studying from the Word of God. In June, he published his first book "Boldly I Come" – a tool for praying according to God's Word.

Evangelist Adalis and Magalis shared the honor of teaching from the Word during our daily broadcasts at 11am.

The Mighty Series received its fourth installment with "Loyal", the biblical account of how Shadrach, Meshach, and Abednego escaped the fiery furnace and were loyal to God above everything else.

Jesus touched me...

“

December 13, 2020,

I attended the meetings in Choose Life Church in Hobbs, New Mexico. After service was over, I requested prayer for healing. I was experiencing a lot of pain from a wreck that I had two years before. The pain was gone immediately. Since then, I've stopped using the pain pills.

On January 4th, I had an eye appointment. In all of the previous appointments the doctor saw bleeding in the back my eyes. They planned to perform laser surgery. When the doctor looked into my eyes she found no bleeding! I told my doctor that I was healed on December 13th. She began to tear up with joy. When you prayed for my back, everything in my body was healed not just what I was believing for! Thank you Jesus!

We ended the year with broadcasts live on television every week in Africa and the US.

With a second lockdown and US health officials "cancelling Christmas", Ev. Jonathan wanted to remain in the Spirit of liberty and exercise his religious freedom by throwing Jesus a proper birthday.

2020 was the year of Accelerated Harvest. We didn't expect it to look quite like it did, but it certainly exceeded our expectations in every way. God is good!

Thank you for being a part of the greatest year Revival Today has had to date!
