FAQ

Do you offer delivery?

At the moment we are not offering cake delivery, only in-store and curbside pickup is available.

Why do you only offer pound cake for tiered cakes?

Pound cake is ideal for tiered cakes as it holds the best and can sit out the longest for an event.

Why do you not put fresh flowers on the cake?

Many flower varieties may wilt if refrigerated for a long period of time.

Why can I not have more decorating options?

We needed to minimize cake décor options for multiple reasons such as staffing & production. Please understand we must change with the current times.

When do I have to pay in full for my cake order?

We ask that you pay in full at time of ordering.

Can I cancel my Tiered Cake order?

Yes! Things happen.

If cancelled 1 week prior we give a full refund.

If cancelled 72 hours before pickup we give a 50% refund.

Do I need to refrigerate my cake?

Yes! Please refrigerate prior to event, best to take out to present three to two hours before slicing. We recommend tiered cakes be displayed in an air-conditioned room for no more than six hours.

Do you offer cake tastings?

Yes, if you would like to taste different cake combinations for our tiered cakes, we can set up a tasting kit to-go for \$25.

Why only 2-tiered cakes?

Since we only are offering pick-up or curbside it is the largest option that will stay intact in a car.
