T&C's

- This package includes all items listed in the above document for a total of £1,000.
- The colour palette of the florals is your choice. We will select flower varieties based on seasonality, inspiration images you have provided, and our signature style.
- The taper candles will be provided in 2 different heights and in a colour of your choice- we have 36 colours available.
- The package is semi-customisable. For reference, the reception florals in the above package is based on one long table of 24-30 guests.
- Additional quantities of each item can be added. We can also add bud vases. Please enquire for a quote.
- The package total cannot fall below £1,000 and therefore items cannot be removed unless substituted i.e. if no bridesmaid bouquet is applicable, the value of this can go towards an additional bowl arrangement.
- Upon enquiry, you will receive a **quote** for £1,000 or your custom total, a **mood board** based on your colour palette, our **candle colour options** document and a **table layout** mock-up drawing. A deposit of £200 is then required to secure your date. The remaining balance is due 30 days prior to your wedding.
- The total includes delivery of bouquets and buttonholes to up to 2 addresses as well as delivery and set-up at the reception venue.
- There are 2 options for the end of the wedding:
 - 1) *You may take home everything.*

The bowls of flowers are yours to keep/ gift to your key guests as well as the glass candle holders. It is important to stress that if you choose this option, we are gifting you the hard goods as we will not need to pay for our collection courier. This means we will not be returning at all to the venue and it is your responsibility or for you to assign someone the responsibility to clear everything that we have delivered at the end of the night.
 - 2) *We can arrange collection.*

We can send our trusted courier to collect all items the following morning. Please note if this option is chosen, we expect to have all of our hard goods collected (bowls and candle holders) and nothing that we have delivered must be taken from the venue except flowers themselves (bouquets/ buttonholes/ flowers picked from the bowls).
