# OUR PHILOSOPHY

We love to capture the raw, unfiltered, real side of people. The goosebumps, the loud and quiet, the inside jokes, the gut busting laughs, you know the real stuff.

Our approach is simple: we believe in quality over quantity. Your Echo Wedding Film will pack a punch of genuine love and heartfelt emotion that will leave you wanting to watch it over and over and over again. While you may only watch an hour-long wedding film a couple of times, we guarantee you'll watch your Echo Wedding Film with every spare moment you have!

We want to know your love story, the thing you love most about each other, the things that make you cry, your favourite memory of each other, we want to learn all of these things and portray your entire love story through the film we capture.

If you're looking for a wedding film that you will want to replay countless times, then I think we may be the perfect fit. There will be no compromise in our attention to detail. This day only happens once... So live in the moment, and leave the rest to us.

MAX BOAST

## BEHIND THE CAMERA

'Love' being filled with so much depth, it quickly became my favourite story to tell. Every couple has a different story of how they met, the awkward first dates, the proposal and so much more. This is what I fell in love with and now it's time to tell your story!

I've been passionate about telling stories for as long as I can remember. Being both a filmmaker and actor, I know it's not easy to be in front of the camera. That's why I'll do everything I can to make you feel as natural and comfortable as possible.

## YOUR WEDDING DAY

We're forever in pursuit of the authentic.

The small in-between moments where laughter is natural and tears can't help but fall. These are what we look for when capturing your wedding day. Although these moments last only a split second, it is there we find the truest depth of love. Capturing as many of these moments as possible so they last a lifetime.

This is how we view our job, not just a camera capturing video but a friend who is trusted to film these beautiful memories. To be enjoyed for all eternity.

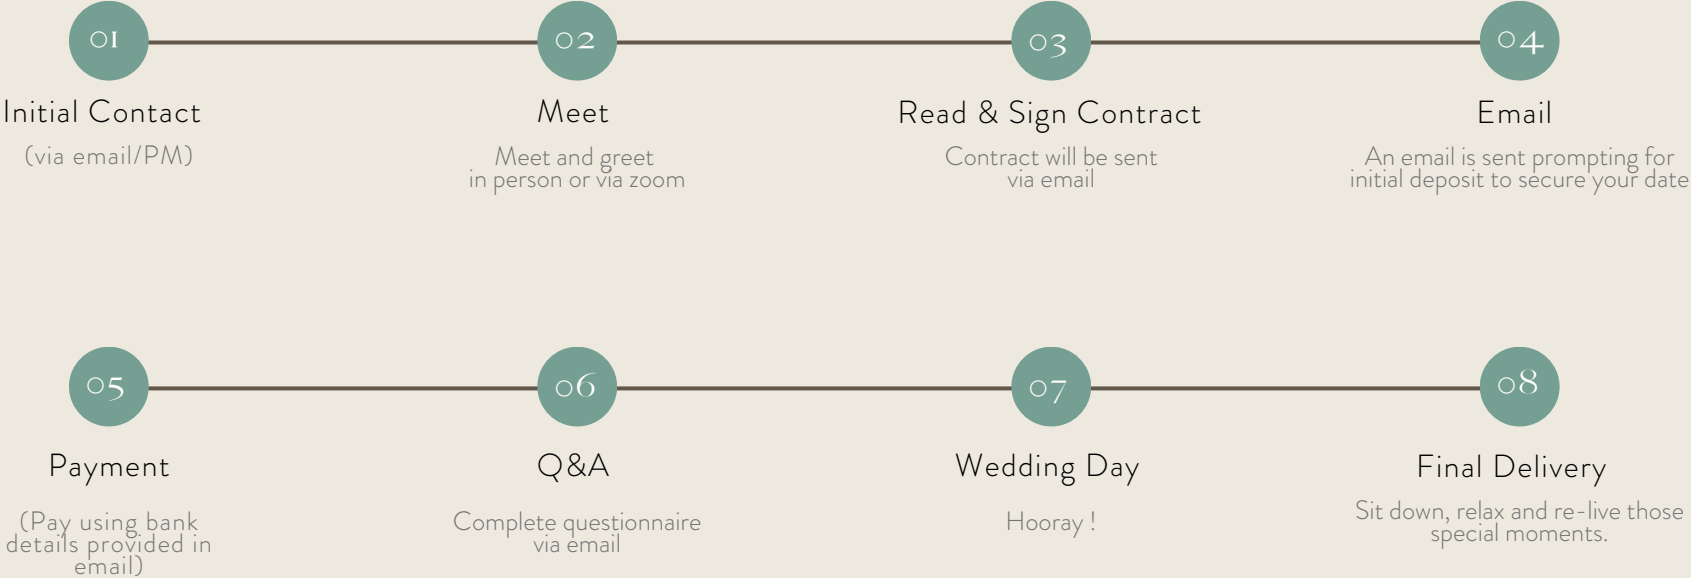

"Max and his team were amazing to work with! He was always there to answer any questions and see what personal touches we would be interested in. My Dad put it perfectly... 'That's no wedding film, that's the best film I've ever seen!' We are forever grateful to have these memories."

- Elle & Callum

# FROM BOOKING TO RECEIVING YOUR FILMS

"I can't recommend Echo Wedding Films enough! They were great to work with, always contactable and listened to all our requests. Max really captured the atmosphere of the day and shot our film in a beautiful and natural way. It is a perfect memory and we have been watching it on repeat!"

# FAQ'S

## WHERE ARE YOU BASED? AND DO YOU TRAVEL?

We are based in West London but we love to travel! We have been blessed to work in locations around the world. We want to make sure it is an affordable and easy experience for you both so we're more than happy to discuss and send through a customised international quote before locking you in!

## WHAT IF IT RAINS?

Nothing will get in the way of making your day special! We will use umbrellas or look for the perfect undercover area. As long as you're happy to roll with the punches then we are too! A little wet hair and romantic rain kisses are super romantic anyway.

## WHAT IS THE DEPOSIT REQUIREMENT EXPECTED OF US?

A 50% deposit is required at the time of your booking to secure your wedding date. The remaining 50% will not be due until 30 days prior to the date of the event. We are also happy to accommodate alternative funding plans on a case-by-case basis. Just ask us!

## DO WE GET TO PICK OUR WEDDING SONG?

In most cases, we license a track based on what we feel will compliment your wedding film the best. However, if you have a song in mind, then please let us know before your wedding day and we will check if we can licence it for you.

## HOW LONG DOES IT TAKE TO RECEIVE OUR PHOTOS/FILM?

Our turnaround time is about 6-8 weeks from the wedding day.

## WE'RE WORRIED ABOUT OUR WEDDING TURNING INTO A FILM SET?

That's totally natural and we promise you it's not as scary as it may initially seem. We only turn up with ourselves and our cameras (no big fancy lights to worry about!). We will likely put a very small microphone on you at certain parts of the day just so we are able to record your heartwarming speeches and toasts in the highest quality possible. If you have any further questions regarding this, please ask us!

## DO WE NEED TO FEED YOU?

Yes, please! We will be on our feet all day and need our creative juices to keep on flowing! Your venue will offer vendor meals. All we ask is that you let your coordinator know that we need to eat at the same time as the bridal party and guests as we need to be available to continue shooting.

## HOW DO WE RECEIVE OUR FILMS FROM YOU?

We will deliver an online personalised website to you which allows you to view, share and download your films from the internet. Depending on what package you book, you will also receive a custom box containing a USB.
