WELCOME

The Pineapple Doors Guide is a collection of favorite places from our family to yours. We are truly blessed to live in the Panhandle, surrounded by so many incredible people, businesses and places near and far. We could go on and on about all we love here but decided that this is one guide that you need to navigate yourself. So go out there, explore what makes the panhandle special and find all the delicious food, shops and activities that make this place uniquely yours! We try and support local businesses as much as we can so we hope you do too! Tag us in your posts #thepineappledoors

IF YOU ARE UNFAMILIAR WITH THE GROCERY STORE PUBLIX THEN IS A MUST STOP. FLORIDA HAS OVER 800 AROUND THE STATE AND FOR GOOD REASON. PUB SUBS!

THERE'S TWO ROUTES I RECOMMEND:

*The Classic Whole Italian:
provolone, spinach, lettuce, onion, jalapeno, olives,
banana peppers, boars head pickles, salt and
pepper, light mayo, and vinegar on white*

*The Chicken Tender Sub
chicken tenders, lettuce, light mayo, salt and
pepper, pickles, swiss. Side of ranch + side
of hot sauce*
