LIFEWAVE 21 DAY FAST START PLAN

THIS IS IT Team Strategy

The 21-Day Fast Start Plan shows you how to maximize the LifeWave compensation plan by enrolling and properly placing 21 people in your first 21 days. Start by understanding the Power of 2: enroll one person on your left and one on your right with an Advance Package or 300PV within your first 48 hours. This qualifies you for the first rank, 1 Star Manager as well as a \$25 weekly Launch Bonus including other income potential. Then, repeat the process of enrolling one person on your left and on your right all on Advance Packages or 300PV within your first week. This qualifies you for the second rank, 2 Star Manager as well as a \$50 weekly Launch Bonus, including other income potential.

Help your new Personally Sponsored Brand Partners become 2 Star Manager. When they succeed, they earn \$50 per week, and you earn an additional \$25 per week for each personal Brand Partner you help become 2 Star Manager.

You have 9 weeks to take full advantage of this exciting LifeWave Business Launch Bonus. By understanding and duplicating the Power of 2 strategy and continuing to enroll and help your team do the same, the process grows: from 2... to 4... to 8... to more. Implement the THIS IS IT 21 Day Fast Start Plan so you and your team can experience the success and momentum you're looking for as you can move through the LifeWave ranks.
