FALL 2025

Today is perfect

FALL 2025

OUR FALL COLLECTION UNFOLDS WITH THE PROMISE OF AN ETERNAL SUMMER. OUR
SUNLIT HUES — SEA SPRAY, DESERT SAND, AND RUSTIC BROWNS — EVOKE THE ESSENCE
OF SUN-DRENCHED SHORES AND BREEZY AFTERNOONS. FLOWING SILHOUETTES
SWAY EFFORTLESSLY, ADORNED WITH DELICATE DETAILS THAT MIMIC THE DANCE OF
SEAFOAM. EACH PIECE INVITES THE WEARER TO ESCAPE THE CONFINES OF THE SEASON,
TRANSFORMING THE ORDINARY INTO A PERPETUAL GETAWAY.

WITH THIS COLLECTION, WE INVITE YOU TO INDULGE IN THE FANTASY:
WE ARE ON VACATION ALL YEAR LONG.

The image features two models against a plain, light-colored background. The model on the left is wearing a coral-colored sleeveless crop top and wide-leg trousers with a colorful geometric pattern in shades of coral, teal, and cream. She is also wearing brown leather sandals. The model on the right is wearing a jumpsuit with vertical stripes in cream, teal, and light green. The jumpsuit has a smocked elasticated neckline and a wide, flowing hem. She is also wearing a gold chain necklace and a gold bangle. The word "BOTTOMS" is written in large, white, sans-serif capital letters across the center of the image, partially overlapping both models.

A fashion advertisement featuring two models against a plain white background. The model on the left is wearing a light-colored, textured sweater with a subtle pattern, blue denim shorts, and white sneakers with tan accents. She has her hands in her pockets and is looking towards the camera. The model on the right is wearing a solid coral-colored, textured sweater, a blue denim skirt, and a small necklace. She also has her hands in her pockets and is looking towards the camera. The word "SWEATERS" is written in large, white, bold, sans-serif capital letters across the middle of the image, partially overlapping both models.

Volatile and unpredictable international market forces can often cause drastic pricing fluctuations at any moment in the course of the season. While we work hard to establish pricing that will take such fluctuations into consideration, we still often find ourselves having to adjust to factors that are well beyond our control. For that reason, please note that the pricing set forth herein is subject to change with or without prior notice. This includes orders already received and entered into our system. By submitting an order to us, you expressly agree to accept any such future change. We hereby expressly reserve, on behalf of ourselves and any and all of our licensors, all rights to all trademarks and copyright-protectable works ("IP") contained in this catalog. Use of any IP without our express written consent is strictly prohibited.
