ESTATE

F.A.Q

frequently asked

Here are some commonly asked questions to guide you through your decision making process. Please review and if we've missed something, let us know!

Q: Does your property rental include the tent?

No, tents are rented separately at your expense. This was a decision we thought through very carefully. Because every couple has a unique style and guest count, we did not want to limit ourselves to one tent style. Please note that all tents will require a tent permit + locates to be done, which will be coordinated by your tent rental company.

Q: Does the venue provide washrooms?

We have an upgraded Washroom Trailer on property that can accommodate 120 guests. We will work with each couple individually to determine if additional washroom trailers will be necessary based on guest count. There is a \$350 disposal fee charged for each event.

Q: Do you provide tables and chairs?

No, our venue does not provide tables or chairs - for the same reason we do not include a tent: we want your reception to reflect your own style. We will work with you to select the styles you wish and acquire those rentals for you, at the retail rates of the rental company, should you require assistance.

Q: Am I allowed to bring my own Caterer?

Yes, you are welcome to provide your own caterer. We ask that you hire only professionally licensed caterers that are familiar with tent receptions and have all equipment necessary to cook on site. We are happy to provide a list of our preferred Caterers. We do not offer an on-site kitchen for their use, so please ensure your Caterer is prepared with a Satellite Kitchen.

Q: Am I allowed to bring my own Alcohol?

Yes, you are welcome to bring your own alcohol. You will be required to apply for a Special Occasions Permit through the AGCO and obtain PAL Insurance. Once approved, we will require a copy of the permit, proof of insurance, along with copies of all receipts of the alcohol to be present at the reception and available to an inspector.

Q: Do you provide Bartenders?

Yes, we can provide professional Bartenders for your event, at an additional cost of \$350 per bartender. Our Bartenders are Smart-Serve certified and will set up and dismantle the bar services included in their fees. You are also welcome to provide your own through your Caterer or a professional bartending service.

frequently asked

Q: When is last call?

Last call is at 12:30 AM. Your guests will have 30 minutes to finish existing drinks before glassware is cleared.

Q: When do I have access to the property?

This is dependent on what you book from our a la carte menu. Exclusive weekend use of the property is available at an additional cost of \$2,500 and is available from Friday at 12 pm to Sunday at 12 pm.

Q: Will you hold a date?

We are not able to hold a date without a signed contract and deposit.

Q: What is required to confirm my date?

To confirm your date, you will be required to sign a contract. Once a signed contract and 50% non-refundable deposit is received, your date will be confirmed and the fun part begins!

Q: What is the deposit structure?

Upon signing a contract, we require a 50% non-refundable deposit to secure the date. 1 month prior to your wedding, we require final payment. Payment can be made by e-transfer, cash, or cheque. Credit card payments are subject to a 5% Administrative fee. Payment plans are available upon request.

Q: Is there parking on the property?

Yes, we have ample parking available onsite. We strongly encourage booking shuttles for your guests, which we will happily coordinate for you, as we prefer that your guests can enjoy themselves without the worry of driving or coming back to get their vehicles the next day.

Q: Are we allowed to host our rehearsal onsite?

Yes, rehearsals are available at no charge on Thursdays between 4 pm - 7 pm. Should you wish to have a Friday rehearsal, we will accommodate based on availability and timing.

Q: Does your venue offer a Wedding Coordinator?

As the venue, we focus exclusively on ensuring our property is cared for leading up to the wedding, so that your experience is exceptional. Therefore, we request that clients hire a Professional Planner. The Planner can be selected from our sister company Twelfth Night Events or an external Planner. Clients are not required to hire our team, should they have another company in mind. A tent / outdoor wedding is a large undertaking, and you + your family should enjoy the day - leave the logistics up to the professionals. Hiring a Wedding Planner for onsite Coordination will be a great investment into your day!

frequently asked

Q: What is your cancellation policy?

Once a commitment has been made for a specific date, any cancellations would forfeit any monies paid towards the venue. All payments made are considered non-refundable once made and are considered liquidated damages.

In the event that the Client should reschedule their wedding, the Venue will only honour one date change, assuming they are available on the newly selected date, within 6 months of the original date.

Any postponed weddings to a Saturday within a new season of weddings (June - September of the following year) will be subject to an additional fee of \$2,500 + HST.

Should the Renter choose to postpone their wedding with no future date, the Venue is not required or obligated to provide refunds or credit for future use and the postponement will be treated as a cancellation.

Q: Do you allow pets on the property?

Pets are welcome on the property for the purpose of photos and the ceremony. Pets must be removed from the property before dinner service can commence. Service animals are exempt from time restrictions and are welcome at all times. Should you wish to have animals on property as a form of entertainment, permission must be obtained in writing by the Venue and all permits and insurance must be taken.

Q: What is your smoking / vaping policy?

The Venue will provide a designated smoking area (located in the parking lot) for smokers or those who vape. Smoking is prohibited in any other location of the property. Any breach of this regulation may result in damage fees due to the nature of our property.

Q: Do you permit fireworks, floating lanterns or Sparklers?

Fireworks and floating lanterns of any kind are strictly prohibited on our property out of respect for the surrounding farm lands, our neighbours and their pets peace, the fire hazards they pose, as well as the negative affects it has on the environment.

Sparklers are permitted for the purpose of obtaining a professional photo with your Bridal Party + Parents only. We strongly advise against your entire guest list to participate in sparkler send offs or photos due to the fire hazard and injury to your guests that may arise out of the use of sparklers and we accept no liability on account of injuries resulting in the use of sparklers.
