

GET TO KNOW

T H E V E N D O R S I N V O L V E D

Making dreams a reality takes a team, a community. And that is one of my favorite parts about Styled Shoots! There is this unique opportunity to get to know wedding vendors on a personal level! Below is a list of each vendor involved in The Lacey Rene Styled Shoot Workshop! These are the people that will make our romantic blush, cranberry, eggshell blues & copper inspired styled shoot come to life!
