

# 3 FAVORITE PROMPTS FOR POSING COUPLES

# 01. / WALKING

## *Main prompt:*

Have the couple hold hands and walk while looking at each other. Tell them to bump hips and then pull away - make it fun!

## *Variations:*

- Shoot straight on with the couple walking towards you, have them look at each other, then look at you
- Shoot straight on with the couple walking away from you, have them both look away from you, then have the girl turn back and look at you.
- Shoot parallel to the couple and have one person lead the other across your camera, have them look at each other, and then have one or both look at you.

## 02. / SNUGGLE HUG

### *Main prompt:*

Have the guy stand behind the girl and put his hands on top of her hands and wrap her in a tight hug and sway back and forth “as if it’s really cold and he needs to keep her warm”.

### *Variations:*

- Have them look at each other, kiss each other, have him whisper in her ear.
- Play with their arms, have them bring their arms out, and then back in with arm exercises.
- Have guy wrap arms around girl first, and then have the girl hold on to his arms.
- Shoot straight on or from a side angle.

# 03. / NUZZLE

## *Main prompt:*

Have the couple face each other and wrap arms around each other, then have the girl look down her shoulder line and have the guy whisper in her ear, it can be something funny or sweet.

## *Variations:*

- Have the girl look at the camera.
- Have the guy kiss her cheek or forehead.
- Have guy bring his forehead to her forehead and just nuzzle close.
