All about ABTA

How to register and complete your training

Step 1: Visit **www.abtaknowledgezone.com**

Step 2:

Click on new user registration.
Register with the email address that you
signed up to InteleTravel with.

Fill out all details. Company name is InteleTravel,
Job title is Travel Agent & type of business is
Travel Agency.

When you get to the next section on the
registration form it should look like below:

Complete the rest of the form and click proceed.

Step 3: You can now login in to ABTA with the email and password you just
created.

Step 4: Once logged in to the All About ABTA Zone - scroll to the bottom of the
page and click on 'Start Training'.

This is the training course you want to take, work your way
through each of the modules and complete the test at the
end. Once you have completed and passed the test - you
will receive your ABTA certificate and anything you book
through InteleTravel will be ABTA protected.
