PRESS KIT

With over 140 credits on IMDb, Carlease Burke has played a plethora of interesting characters such as a homeless schizophrenic mother on **Touch**, a foul mouthed truck driver on **Shameless**, a caring yet no nonsense Principal on **Switched at Birth** and a hard as nails campaign assistant on **This Is Us**. One of her favorite roles to depict was Alice on the NBC Series **Crowded**, where she was the wife of Stacy Keach's character Bob.

Ms. Burke recently played the friendly neighbor Doreen in the movie **Child's Play**. She is proud to add this project to her list of film credits which include **The Terminal** with Tom Hanks directed by Steven Spielberg, **The Back Up Plan** starring Jennifer Lopez and **In Her Shoes** directed by the late Curtis Hanson.

Lately Carlease is being recognized for her cool and hip sage wisdom in TV shows such as **Sydney to the Max** and **Mixed-ish**.

In between jobs, when she is not conjuring up these captivating characters, Carlease enjoys traveling, cooking, African drumming, singing, music, hula hooping, Lindy Hopping around the world and she reads books! She is fluent in American Sign Language and is currently studying Spanish. Ms. Burke is a voting member of The Television Academy, an advocate for victims of domestic violence and boldly supports her favorite charities, The Felix Organization (*adoptees enriching the lives of children in foster care*) and The SAG-AFTRA Foundation.
