

## CARE CATEGORIES

### Parent & Co-Parent Coaching

Guidance and support for navigating family dynamics and communication, whether parenting solo or with a partner.

### Caregiver Workshops

An interactive series for families seeking practical evidence-based strategies to encourage positive behavior and support their children's self-regulation skills.

### Therapeutic & Reunification Services

Trauma-informed therapy and connection-focused services to support healing and restore relationships.

### Supervised Visitation

Safe in-person and virtual visits that support positive interactions between children and non-custodial caregivers.

### Behavioral Support (BCBA)

Individualized strategies and family-centered plans to address challenging behaviors and promote growth.

### Parent Coordination

Court-involved service designed to reduce high-conflict situations between parents and ensure decisions are made in the best interest of the child.

### Guardian Ad Litem Support

Support and education around GAL to help families understand their role, what to expect, and how to prepare while prioritizing the child's best interests.
