THE JON FESTIVAL MISSION

We are believing that thousands of souls will be saved.

JON Festival is the platform to change the nation.

The 2 days before the event, October 13th and 14th, is a community focused initiative to spread God's love into the nation. This outpour, called the Outrageous Love Campaign (OLC), aims to positively transform Canadian cities by meeting the most current needs of the local community.

We will achieve this by igniting the next generation into active community service to enhance the work of local governments, local organizations and local communities. Activities include but are not limited to, renovation of run down shelters, graffiti removal from public and private property, supply of groceries and other essential items to the most vulnerable, senior support care, prayer, child care, community drives, student scholarships and debt removal, volunteering at local businesses, first nations support, etc.

Sunday, October 15th will be a day of worship and community – a celebration of how God is moving in our lives and in our nation.

A LOVE EVOLUTION

HULVEY, a twenty-four year old Brunswick, GA native, went from dropping out of college and scrubbing toilets at Publix to becoming Reach Records' latest breakout hip hop artist when he released his debut album BRKNHRT. in 2020. Experience Hulvey singing all of your favorites like "WALK" with Lecrae; "No Longer Bound" with Forrest Frank (which peaked at #2 on the U.S. Viral 50 Chart on Spotify), and the viral songs "Can't Tell It All" and "Beautiful".

We love **KB** for his no-frills, no filler- just raw, uncut transparency through and through. KB follows his artistic impulses to great effect, lending his take on terms that are dominating the cultural conversation. He won a Dove Award for Rap/Hip-Hop Song of the Year in 2014. In 2015, he topped Billboard charts as the No.1 Christian Album and the No. 4 Rap Album overall. You will instantly recognize songs, "Church Clap", "Hold Me Back", and "10K".

After a season of personal revival the 3 Gimba brothers of **DUNAMIS DISTRICT** started writing songs in their home basement in 2015. They played their songs about God's promises and unfailing love for 6 years to their local community, when it became obvious that it was time for them to go public. They launched in 2022, and have become a powerhouse in Ottawa + the surrounding areas, building an army for Christ.
