# Hey there brave girl!

This guide will help you set meaningful goals for the year ahead. The first section invites you to reflect on the year that's just passed. What were your challenges and victories? How did you see God at work in your life? What were your relationships like? Taking time to look back allows you to move forward with clarity and purpose. Use this reflection to praise God for His faithfulness and to identify areas of strength as well as opportunities for growth.

In section two, you'll dive into setting your goals for the upcoming year. As you set your sights on the year to come, let every goal, every decision, and every step be aligned with the greater purpose God has for your life.

Finally, the third section is all about surrendering the year ahead to God. As you pray and commit your plans to Him, may your 2025 be a year lived fully for His glory!

BEFORE MOVING TO THE NEXT PAGE, PRAY AND ASK GOD  
TO BE WITH YOU IN THIS PROCESS

# surrender

Look over the goals you wrote. Ask God to show you if anything is missing or if you need to make any changes.

What most often gets in the way of you making room for Jesus? Ask God to show you and strengthen you in areas where you are weak.

VERSE OF THE YEAR:

What is a bible verse that will help you stay focused in the year ahead?

WORD OF THE YEAR:

If your goals for the year ahead could be summed up in one word, what would that be?

PRAY

Heavenly Father, thank you for using this past year to grow and shape me. I commit these goals for the year ahead to you, asking you to direct my steps. Keep me moldable in your hands. Help me to trust you, especially when things do not turn out exactly as I planned. Give me ears to hear your voice and eyes to see when and where you are working in my life and in the lives of others. Help me in the places I struggle. Give me the grace to make more room for you and others. I thank you in advance for all you will do in the year ahead. In Jesus Name, I pray, Amen.
