

MORRIE  
& MAISIE

*My favourite*  
**Flowers by Season**

[www.morrieandmaisie.com.au](http://www.morrieandmaisie.com.au)

# Hello!

This is a list of my favourite flowers and foliages available by season.

Remember nothing is ever 100% guaranteed. We're dealing with Mother Nature and she be a bit crazy!

There's so many other blooms beyond this list and I'll handpick the best blooms for your event.

There is always a surprise or two waiting for me at the wholesalers so I also suggest keeping an open mind.

x *Corrie*
