technical data sheet

## Signalplex EP2 Red Grease

### Product Application:

Signalplex EP2 Red is an extended life lithium complex grease intended for use in any automotive, commercial, and industrial settings where an extended life, heavy duty, water resistant grease is required.

It is formulated with the most up to date base stocks coupled with cutting edge technology to provide for excellent high temperature performance while maintaining cold temperature pump ability.

It is formulated with water resistant tackifiers that provide excellent adhesion and structural stability coupled with a high degree of chemical and sheer stability to offer excellent corrosion protection.

### Package Size:

Drums, Kegs, Pails, Tubes, 16oz. containers

### Performance Features:

Exceeds NLGI GC/LB.  
Excellent water resistant  
Superb high temperature resistance  
Excellent extreme pressure properties

### Typical Characteristics:

Soap Type	Lithium Complex
Color	Red
Structure	Smooth / Tacky
Penetration at 77 °F	
60 strokes	278
10,000 strokes	290
100,000 strokes	298
Dropping Point, °F	506
Timken OK Load, lbs, min	60
Four Ball EP	
Weld Point Kg	250
Oxidation Stability	
100 hrs. @ 210 °F, psi loss	8.0
Rust Prevention Rating	1,1,1
Water Washout,	
@ 175 °F, %	2.1
