WHY INVEST IN AN ALBUM

While having a digital file and the convenience of instant access, you'll never regret being able to physically turn each beautifully handmade page to relive your wedding story.

I've partnered with a high-quality Italian wedding album company. They use the finest materials and tools to construct these albums. Your albums will be designed and constructed to stand the test of time. They are meant to be passed down for generations to come so that your children and your children's children can relive your wedding day!

WHY STYLING

When you're putting together the perfect engagement photo shoot, it's important to remember that the clothes you choose play a huge role in how the photos turn out. The perfect set of outfits can truly bring your vision to life.

After all, glamorous city looks are going to be a lot different than outfits for a cozy winter session inside a rustic cabin! No matter what my couples envision,

I pride myself on providing styling services like curated shopping links and even full access to my personal styling wardrobe to ensure that the end result tells the perfect story.

THE FULL ENGAGEMENT PROCESS

LET'S CHAT ABOUT YOUR VISION

Let's head over online and chat about why you pinned those images and what you should wear.

THE MOODBOARD

After our meeting, I'll put together a mood board with some shopping links and suggestions for outfits. Full access to my wardrobe collection is available

SECOND PHOTOGRAPHER COVERAGE

Six hours of second photographer coverage.
Begins with getting ready until the reception dinner. Only Julianna will cover the the reception after dinner.

Option to add more second photographer coverage at \$200/hr rate.

QUALITY OF PHOTOS

All images are full resolution, edited, and with no watermarks! You can print your images up to 30x34 size canvases. On average, I deliver 50-70 images per hour. An average wedding gets between 500-700 edited images.

WHAT INCLUDED IN THE PRACTICE SESSION?

This is a 30-minute shoot. You can choose from one of two locations: Gasworks Park if the weather is nice, or if it decides to rain, under the Fremont Bridge near the Troll. I'll show up and coach you on how to find your best angles. I'll direct you into fun, candid setups to get you smiling and laughing! It's such a great way for us to get to know each other.

WHAT IS YOUR TURN AROUND TIME?

I like to call it the JJP 30 day after wedding process...

10 DAYS AFTER

You'll have access to book your "after viewing party," Consider this is an extension of the celebrations of your wedding and an amazing way to reveal and relive your day with all your close family and friends.
