

# Breeze Digital Signage System

## Breeze Digital Signage Media Player: 321-BRZ

The 321 Breeze Digital Signage Media Player is a revolutionary way to deliver dynamic signage content using efficient methods, in a small, quiet package. Breeze uses HTML5 Powered software that has unbeatable playback reliability and security, with an intuitive user experience.

### 4K Output | HDMI 2.0 Certified

Uncompromised, superior picture resolution based on the 4K standard of 4096x2160 @ 60fps with one HDMI input and one HDMI output.

### HLS Streaming

Playback of reliable real-time streams or streams from a robust web-based media platform.

### Schedule On/Off

Efficiently manage devices with configurable system On/Off.

**4K HDMI Output with HDCP Compliant HDMI Input**

## All Inclusive

We have developed an all inclusive digital signage software, which includes: Breeze Digital Signage Software, a cloud-based server, a media player, a perpetual hardware warranty, and Breeze TOTALCARE, our superior technical support coupled with automatic updates to your software and more.

## Safe and Secure

Breeze is designed with encrypted data to keep your information secure using SSL/TLS security. This allows Breeze to be installed in many locations without the need for any special network configurations. Upload and download with peace of mind: you're secure with Breeze!

## Easy to Use and Compatible

Breeze is simple and easy to use, featuring a drag and drop interface, easy file uploading, and smart widgets for a variety of customization features. The best part? Breeze is cloud-based, so it can be updated from anywhere, anytime with an internet connection. Additionally, Breeze can work with a wide variety of networks, from wired to wifi to cellular, we have you covered.

## Top-Notch Service and Support

Keywest Technology is a small, unique team with your best interests in mind. We offer incredible customer service, technical support, and product education, so you will be well taken care of every step of the way. We have worked with a variety of companies and organizations successfully for many years, and look forward to many more!
