Christmas 2021

*A very warm welcome from Pok U,
Nigel and the whole team.*

Two years in the waiting,
Christmas 2021 is even more
special. Our whole team is here to
make your evening as perfect as
possible, serve wonderful food &
exotic drinks and add a little magic
to the end of 2021.

Our team will be delighted to guide
you through the cocktail, food and
drink menu. If there is anything
you don't see on the menu, simply
ask and we will do our best to
accommodate.

All our food is prepared and
produced to a very high standard
in the same kitchen. Whilst we
make extensive efforts to separate
production of your food, follow
all HSE guidelines and are very
sensitive to specific customer
needs, traces of nuts, gluten and
other foods may be present in all
of our dishes.
