# hello there

First of all—let me congratulate you on your engagement. This is such a special time in your life—one that’s filled with so much anticipation, love, and—if we’re being honest—decision making.

I’m Rebecca. I’ve always loved capturing the real, raw, and unposed moments of life, especially the ones that include family. Looking at a photo can bring the warmth of family all around you and that feeling can be really important later on in life when you’re looking back on moments passed.

When I was four-years-old, I got my hands on an old camera my parents had and started snapping pictures. I’ve had a camera in my hand ever since, which means if I do the math, I’ve shot photos for more than 30 years. Let me just say, they’ve definitely gotten a lot better than when I first started LOL. I’ve been a fine art wedding photographer for 8 years now and fall more and more in love with it (if that’s even possible) every day.

I’m from Colorado Springs and go gaga over the mountains. Nature is my muse and I’m’ obsessed with cozy sweaters, knit blankets, and cute mugs of coffee. I’ve been happily married for more than 10 years, have three adorable kiddos who are 4, 6, and 8, and two rowdy goldendoodles who romp on my bed like they’re my kiddos, too.

xoxo, becca

## *the experience*

*When you hire me as your photographer, I send you a questionnaire to dig even further into your heart and vision for your day plus send you tips and tricks to help make your engagement and wedding shoot go extra smoothly.*

Once you've booked, I'll send you your unique password and username for Honeybook, which is how we'll organize the entire experience and communicate. All communication will take place via Honeybook (email) up to the week of your wedding. During the week of your wedding, we'll switch to communicating by phone (if necessary) so I can be of absolute service to you if any emergencies arrive.
