

The Compelling Community of Jesus

SERMON DATE: 11/17/2024

Philippians 2:19-24

INTRODUCTORY QUESTION: What are your habits of self-care? (physically, spiritually, mentally, rest, etc.)

Q: Why have you determined these are needed in your life?

PRAYER

FOR GROUP DISCUSSION: HAVE SOMEONE READ PHILIPPIANS 2:19-24

Q: As a group, describe the nature of the relationships described in the passage... Paul toward the Philippians. The Philippians toward Paul. What about Timothy, how does he fit in? What about the “others” Paul mentions when talking about Timothy’s worth?

Q: From Pastor Carey’s sermon, discuss the New Testament’s emphasis on intentional engagement with other believers? Why is it important? Why is it hard to do?

Q: Describe experiences of Christian community that have helped you in your Christian walk. And (don’t be too humble) tell of ways you’ve been able to bless others in their Christian walk.

APPLICATION:

Did you write down any action steps or areas of your involvement with the people of GracePoint, like Pastor Carey encouraged? Share one or two with the group.

End with prayer for each other... and for the health and growth of your group's relationships.
