Welcome Guide

MICHELLE CARRIERE PHOTOGRAPHY

About me

HI, FRIEND.

My name is Michelle, and I love my boys, being a mom, living in Texas, and being a photographer.

I love telling a story, creating a memory for others to look back on, to reminisce on the best, most memorable moments in life. In sharing my love for light, magic, family, and photography, I try to slow down, capturing the best moments for each client, making sure every smile, breath, thought, and thrill is caught perfectly in time so that it may be remembered and cherished for times to come.

JUST ADD A LITTLE

→ *everyday
magic*

I feel so honored to be photographing other families and helping them document their own memories.

Trust and friendship are the foundation of my business. With Michelle Carriere Photography, I can do what I love to do most. I can give clients one on one exclusive attention. I can dedicate my creativity to them and their special moment. And that is what makes what I do unique for my clients, while it also keeps me loving what I do.

What to expect

BEFORE THE SESSION

This is my time to shine not just as your photographer, but as your expert friend who will make sure everything is absolutely perfect. I offer a style guide to ensure your photos are works of art, wardrobe consult, session planning, and location scouting. I want the entire experience to be an effortless dream for you - that's how magical and important I think family photos are.

ON YOUR SPECIAL DAY

I hope you'll be looking forward to this day as much as I will! I will arrive to our session as scheduled, 1-2 hours before sunset (for the absolute dreamiest light, to ensure perfect photographs). I like to have fun while shooting, so I hope you do too! I will have worked with you to choose the perfect location and we can move around as much as we want. Sessions typically last about an hour but only have to end when we run out of light!

AFTER THE SESSION

My favourite thing after a session is editing 1 or 2 (or 5) of my favourite images to use as social media sneak peeks. Even more fun if I can tag you too! A personalized blog post starring you & your family will follow. I promise edited images for you to choose from in 2-3 weeks, but it often takes less time. I will present your edited images in a proofing gallery at which point you will choose your favourites to keep, and any products you wish to order.
