THE SETTING

Just outside Charlottesville, at a bend in the road at the base of Afton Mountain, you will find Veritas Vineyard & Winery. As you pull into the drive, the 250-acre farm and breathtaking views of the Blue Ridge Mountains unfold before you, vineyards and vistas setting the scene for a memorable day.

One of the original wineries on the Monticello Wine Trail, Veritas is a family-run winery, growing their own grapes on the property and producing a range of complex, elegant and award-winning wines.

Veritas' signature hospitality extends beyond the tasting room. As one of Virginia's most sought-after venues, Veritas offers a variety of inviting indoor and outdoor event spaces, hosting events ranging from private tastings to alfresco wedding ceremonies and gala receptions.

This idyllic setting awaits only your personal touch for a truly unique and memorable event.

THE SPACES

We offer a variety of elegant, neutral spaces, ready to take on the personality of your day. Allow us to transform our spaces to best suit your event and serve as the backdrop for your memories.

SADDLEBACK HALL

55 x 65'

250 guests

Our grand ballroom is the heart of our venue and provides a breathtaking backdrop to an unforgettable reception. Classic details like ceiling-to-floor drapery and hardwood floors offer a stage for a custom celebration, whatever your table configuration or dance floor desires. Four sets of French doors open to a deck and enchanting views of the vineyard and mountains. At 3,500 square feet, the room can accommodate up to 250 guests.

THE TASTING ROOM

36 x 54' 100 guests

The tasting room warmly welcomes you and your guests with rustic elegance. Take advantage of the numerous French doors and our adjoining expansive deck to host a lively cocktail hour. Or, transform the space for an indoor ceremony or private dinner, with a LOVE works designed with corks hanging overhead. Handcrafted chandeliers draw attention to the soaring beamed ceiling. Hardwood floors, leather furniture, and a floor-to-ceiling stone fireplace complete the space.

THE MEZZAZINE

36 x 18' 40 guests

Use of the tasting room also includes access to the mezzanine. Lofted above the tasting room, the mezzanine seats up to 40 people and overlooks the tasting room below.

THE DECK

55 x 65' 100 guests

The doors of our tasting room open to our elegant wooden deck, offering views of the lawn and vineyards beyond. A tent covers the deck, providing shade and protection from the elements. When needed, an outside fireplace provides a cozy feel. The space is available April through November and can seat up to 100 guests.

THE CELLAR

Our cellar offers a stunning backdrop for photographs with your party or to steal a moment alone as husband and wife.

THE BRIDAL SUITE

A tranquil retreat, our bridal suite is awash in elegant creams and flooded with natural light. The suite features two smaller rooms, two bathrooms, and a larger room with space for the whole bridal party, food and drink, and sweeping views of the vineyards.

THE STUDY

This handsome room offers your wedding party a private space to relax, get dressed, and enjoy pre-wedding festivities. The Study opens to a private deck overlooking our vineyard and the beautiful Blue Ridge Mountains.

*VIRGINIA'S PREMIER
WEDDING DESTINATION*

A SHARED MEAL

Our Executive Chef is well-known for his distinguished cuisine. His menus reflect the Veritas experience: food that is refined and sophisticated, yet delicious and welcoming, all while using the freshest of ingredients.

We will schedule a menu tasting with your families to take place six to eight months before your wedding. Everyone loves the tastings portion of wedding planning! It's a fun moment to celebrate the wedding while finalizing the menu for your reception dinner.

VENUE ACCESS & TIMING

How long do we have access to Veritas?

Our spaces are exclusively yours from 6pm through midnight. You are welcome to take pictures anywhere on the property before the ceremony, but the Tasting Room will still be open to the public. Your guests may not arrive earlier than 6pm, and we ask that your ceremony begin no earlier than 6:15pm. Music must be cut off by 11:30pm.

What is the timing for a ceremony rehearsal?

A ceremony rehearsal can be hosted the day prior to your wedding. All rehearsals must be completed by 4pm.

How much time is allowed for set-up and clean-up?

Standard day-of set-up time for your event will be six hours prior to the guest arrival time. In the event that your décor requires a set-up team prior to this time frame, we ask for additional staffing fees of \$25 per person per hour. All items must be removed or picked up by 10am the day after your event, unless other arrangements are agreed upon prior to the event. A fee will be applied if this is not followed. Tents and other rentals need to be scheduled for removal from Veritas by 10am on the day following the event.

When may we access the Bridal Suite?

Starting at 11am on the day of your event, you and your wedding party will have full access to the Bridal Suite. We can accommodate earlier access as early as 9am for a fee of \$200 for each additional hour. You may leave belongings in the Suite during the event, but all personal items must be collected by the end of your event.

What happens if it rains on the day of my wedding?

Rest assured, we have many options, and we will set a rain plan well in advance! Ceremonies can take place in either the Tasting Room (up to 150 guests), the tented Deck (up to 150) or in the Ballroom (150+). In the case of inclement weather, the rain call will be made no later than 3pm.

EVENT PLANNING

Is an event coordinator required?

You may engage us as your primary day-of event coordinator or hire an approved professional planner. We require one or the other.

May I hire a vendor who is not included in your preferred vendor list?

You are not required to use vendors from our preferred vendors list, but we do highly recommend them. Each will be familiar with the property and comes highly recommended by us. However, if you are set on a specific vendor outside of our list, we happily look forward to working with them!

Who is responsible for setting up and breaking down the décor?

Your Event Planner will arrange for all décor to be set up for you, prior to the event.

What is the staff to guest ratio?

At Veritas, we maintain a 10:1 guest to staff ratio, to ensure attentive service. If an event has exceptional elements, we reserve the right to bring in additional staff in order to maintain those standards of service.

Do you have any restrictions on decorations?

You are more than welcome to bring in décor. Our only restriction is that you must hire a licensed professional to hang items from our draped ceiling. We have no restrictions on decorations such as candles and rose petals.

Do you have any guidelines concerning departures?

We do permit 17-inch sparklers for departures. To ensure the safety of your guests, we do not permit sparklers larger than 17 inches. We do not allow wish lanterns or confetti.

Where should guests park?

Our Tasting Room parking lot and an adjacent field can accommodate as many cars as needed. If you are considering using bus transportation, there is a bus turn-around area behind our building.

CATERING & WINE

Do we have to use Veritas' catering?

Yes; due to our restaurant license, we require that you use our catering for your event with the exception of your wedding cake. Our Executive Chef will work with you to create the menu of your dreams.

May I offer a choice of entrées? Do you offer kids' meals?

Yes, you will have the choice of three entrées to offer for your guest. We will schedule a tasting for up to six guests 6-8 months prior to your wedding date to eat, drink and make those selections! We do offer a kids' meal for children 10 and under.

Is there a cake cutting fee?

No, there is no additional plating charge for us to serve your wedding cake.

When do you need the final head count?

Final food & beverage guest count numbers must be received no later than 14 days prior to the event.

Can we bring in our own alcohol?
