# ABORTION & INFANTICIDE

THE PLOT TO DESTROY A GENERATION

---

"How have you helped him who is without power?  
How have you saved the arm that has no strength?"

Job 26:2

## WINNING THE BATTLE OVER CHILDREN IN AMERICA

Democrat Legislator Kathy Tran admits the bill does indeed allow abortions up until the last second before a baby is born.

### ***Trump Administration Blocks Funds for Planned Parenthood and Others Over Abortion Referrals***

The new rule would steer federal family planning funds under Title X to anti-abortion and faith based groups.

Where did this demonic push for infanticide suddenly come from? Anytime God planned to raise up a deliverer, Satan incited government leaders to kill the children of that generation. When it was time for Moses to deliver Israel from Egypt, Satan killed all newborn Hebrew boys. When it was time for Jesus to deliver mankind from sin, Satan killed every male child in Bethlehem. Now, Satan knows what Joel prophesied—that in the last days God would not raise up one deliverer, but He would pour out His Spirit ON ALL FLESH. Satan is looking to kill the children of this generation, knowing that if he doesn't, they will destroy his work!

OUR SPIRITUAL WEAPONS ENSURE SATAN WILL NOT PREVAIL

On February 17th, I announced in Columbus, Georgia what God had spoken to me; that Planned Parenthood's money would leave their hands and come into The Kingdom of God (you can watch the clip on our YouTube channel.) Five days later on February 22nd, The White House announced immediate action to strip Planned Parenthood of their Federal money and divert it to Faith-based organizations!

Since our last newsletter we have received two invitations to private calls with President Trump and the White House to discuss the importance of life. I am submitting this to you as proof that we are not beating the air. Your decision to financially partner with this ministry is producing real results—generational change. We spent 21 days together in fasting and prayer to begin the year, and the enemy's camp is already reeling.

### Invitation to Join President Trump to Discuss the Importance of Life Tomorrow

Today at 10:16 AM

Good morning,

The White House invites you to join a conversation with **The President** and Senior White House Officials to discuss the importance of Life at every stage. As mentioned in the President's State of the Union Address, Life is a top priority for the Administration, so we hope you can join us tomorrow to hear more from **The President** directly.

## WHAT YOUR PARTNERSHIP ENABLES US TO DO...

I received an invitation to speak to students at University of Massachusetts Dartmouth. Opening night I preached on “Five Problems in Life Only Jesus Can Solve.” Over the three days, 22 students came forward to receive Christ as savior. In the final meeting, all but one student came forward to receive The Holy Spirit!

Had it not been for your generosity, it would be financially impossible to do a meeting like that. Because of you, we're able to preach The Gospel in spiritually dark places—like a secular American University! The new names written down in Heaven say THANK YOU!

On the right, a wide shot of a church interior with a large congregation raising their hands in worship. A pastor stands at a podium on the stage, and a large screen displays the Crossroads Community Church logo. A white cross is visible on the wall behind the stage.
