IMPORTANT UPDATES FOR MAY 2024

We are excited to announce that we have a new Executive Director, Stephanie Lawson! Jennifer Liggett has accepted a position with King County starting May 2024 and we wish her the best on her new adventure. Jennifer was able to move The Storehouse forward in partnerships, funding, collaborations and operations during a time of great expansion and need for food in the Covington community. Join us in welcoming Stephanie Lawson to The Storehouse Family.

Thank You

We want to express our heartfelt appreciation to the community for their unwavering support in fighting hunger alongside us. Covington is facing a hidden hunger crisis, but thanks to the generosity of donors, partners and neighbors, we are able to meet the needs of the most vulnerable members of our community. We have seen an increase in clients who are over age 65, under age 25 and from diverse backgrounds. It is important to note that we cannot solely rely on food banks to address food insecurity. It takes a collective effort from those who care. We are grateful for your support and invite you to donate to the upcoming National Stamp Out Hunger Food Drive on May 11th. If you are unable to participate in that way and want to contribute, you can still donate directly to The Storehouse during donation hours or consider donating monetarily through covingtonstorehouse.org/#donate. Together we serve better!
