RETREAT
REGISTRATION

TRAVEL & TRANSFERS

Our time together will begin in Sorrento and end in Naples. Although trains and transfers are not included in the retreat price, we will help you with the arrangements if you'd like. The mid-trip transfer between Sorrento and Naples is included.

There are many ways to get to Sorrento, but we recommend one of the following:

- fly directly into Naples*, then take a private transfer to Sorrento
- fly into Rome, take the train to Naples, then a private transfer to Sorrento
- fly into Rome, then take a private transfer from Rome to Sorrento

The same options in reverse make getting home from Naples very straightforward.

*NAP is now a well-served international airport with direct flights from many major US airports.
