

CCTV POLICY

Morningson District Basketball Association (MDBA) may use CCTV at certain venues where cameras are installed. Those venues will have signage informing members that cameras are in operation. It is in the members Terms and Conditions that MDBA venues may operate CCTV.

The cameras are to be used for the following purposes only:

- To record Big V matches in accordance with the Big V Rules of Operation;
- To support a tribunal report;
- To be used by the Referee Advisor only for referee education purposes.

Videos cannot be distributed or viewed other than the above, without express written consent of the MDBA General Manager. Members, spectators, coaches, referees are not permitted to watch videos from the reception area under any circumstance.
