

Examples of testimonials and how to ask a compliant question below:

Talk about challenges to a specific area in our bodies not Diagnosis and we're in compliance.

I was challenged with my blood sugar, high blood pressure, muscular or skeletal system, specific organs etc. Tingling, numbness in my feet, fingers. Swelling in my joints etc.

And after wearing the x39 patch it facilitated my body to achieve optimum health and vitality. It repaired and restored by body to do what it was intended to do.

My challenges are being repaired and restored for optimum health.

We can also say the body was facilitated by x39 to help with "xyz".

My body is doing what my body was Intended to do naturally.

Also replace pain with

(Shoulder, knee, back, etc

Discomfort Or extreme discomfort!)

For Diabetes

I was challenged with a condition that affected my blood sugar levels. I was dependent on injections on a daily basis I had numbness and tingling in my feet I barely could get out of bed, and after using X 39, it facilitated my body to repair itself naturally.

For the first time I felt sand between my toes.

As long as we don't mention, insulin or diabetes were good

For neuropathy:

I was being challenged or dealing with numbness, tingling, burning fire sensation in my extremity, and then continue with your testimony. If we always end it with X 39, facilitated or helped my body to repair itself, we're in compliance.

It's exciting to learn or it's exciting to share with you how to achieve Optimum Health and Wellness that can now be yours with X39!

****There has been no case studies on pregnancy or children.****

****You can use the X39 at your own discretion.****
