Dear Members,

Happy Holidays from all of us at the Amarillo Club. We are looking towards the future and can't wait to see what that brings. As this year is coming to a close, we look back at all the trials and tribulations that have occurred. We understand this year has not been easy for anyone and we want to thank you for sticking it out with us. Without the support of our members and corporate sponsors, we don't know where we would be. The Amarillo Club team is taking every precaution to make sure your time with us is safe. The health and safety of the Amarillo Club is our top priority. We have some very special events planned for the upcoming months. We look forward to another movie night featuring "It's a Wonderful Life". And what better way to end 2020 then with a circus themed New Years party. Come make that connection with an old friend while enjoying the best view in town.

See you at the Club.

Sincerely,

Riki Turner

MISTY HOWARD

Membership and Marketing Director

Dear Members,

"Getting over a painful experience is much like crossing monkey bars. You have to let go at some point in order to move forward.", C.S. Lewis. If you're like most people I know, you have had some type of painful experience this past year. But as C.S. Lewis said, it's time to let go and move forward. What does moving forward look like to you? Is it moving outside your comfort zone? Is it finding that dream job you've always wanted? Making new friends? The Amarillo Club is here for you! Being a member of the Club means there is always an opportunity to get connected.

Our First Monday Mixer brings young business professionals together and allows them to find common goals, friends, and business opportunities. Kid's Korner offers parents and kids opportunities to enjoy hands-on art, music and food experiences while developing new friendships with other AC families. Master Class is our adult version of Kid's Korner with tasting sessions, art classes, and cooking classes. These are just a few of our favorite Club events. Be on the lookout for new and upcoming events in 2021 and find your Connection at the Amarillo Club!

As always, my door is open, please stop by and say hello!

See you at the Club.
