THIS week we Are TALKING ABOUT **WISDOM**

GOAL:

Understanding THAT AS A CHILD OF GOD it's so important THAT we ASK for wisdom. Wisdom is one of the greatest qualities YOU CAN HAVE.

WHAT does the Bible SAY ABOUT Wisdom?

THE Bible TELLS US in James 1:5, If you need wisdom, ASK our Generous GOD, AND He will Give it to you. He will not rebuke you for ASKING. Wisdom ALLOWS you to make Decisions ACCORDING to GOD'S COMMANDS AND HELPS you to AVOID making the wrong Decisions.

WISDOM

Let's Review WHAT YOU READ This Week

Wisdom is the most important gift we are given by God. Solomon was called by God to do a big job at a young age. This applies to you too! God has big jobs he wants you to do. We need his wisdom to do it.

Solomon knew that he needed help knowing how to be a good king and to take good care of the kingdom. Solomon could have asked God for money or material possessions but instead, he asked God for wisdom. He asked God for understanding and help in knowing right and wrong.

Because Solomon asked for this very important gift, God blessed him with it and continued to bless him as a successful and prosperous king. When you come against a situation you aren't sure how to navigate, he is ready and willing to give you the gift of wisdom to help you through — you just have to ask! (James 1:5)

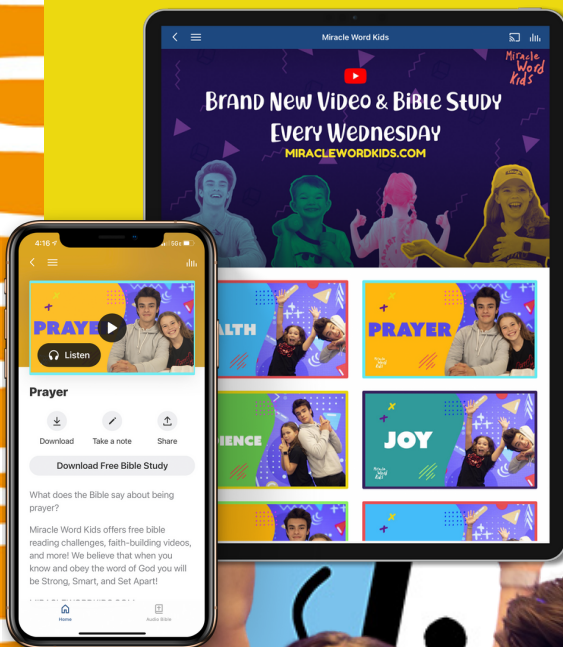

How can we pray?

Dear Jesus, thank you for giving me wisdom to do great things. I want to make the right decisions. Help me to be smart and full of wisdom. I can not fail when I am full of your wisdom. Amen.
