MEET KAT

Meet Kat- I'm Kat, the Owner & Principal Photographer of Katrina Cram Photography + Boho Elope. I love being able to document the love of two individuals, and feel privileged to get to work with such wonderful people.

Based out of Murwillumbah in the Northern Rivers, NSW, I've been photographing weddings for over twenty years.

I am a 44-year-old mum of three wonderful children and a Grandma to my little gorgeous grandson. My children are all grown now and just about all in their twenties. My amazing husband and I have been together for 25 years, and we have plans to one day travel Australia together in a caravan. I love camping, coffee, my two dogs, boho industrial and raw timber homewares, and binge-watching Netflix with a Wild Turkey and Dry.

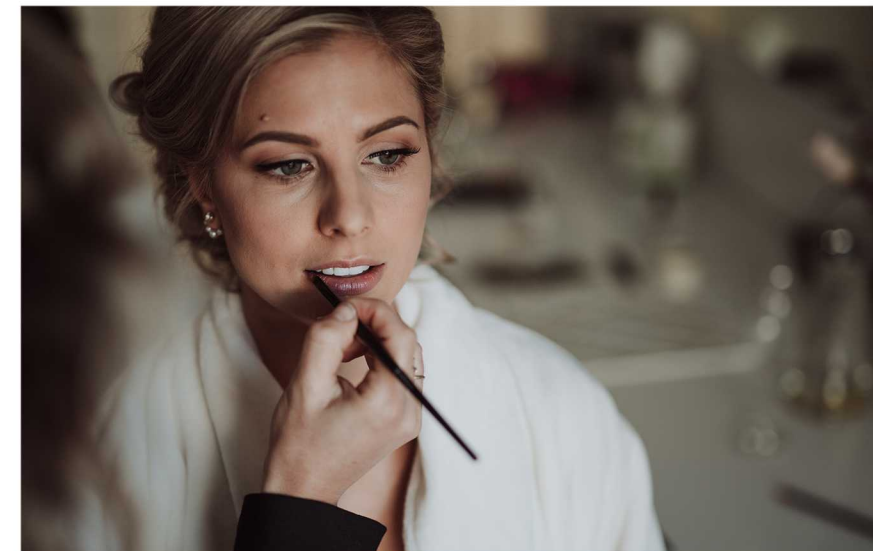

I've done my fair share of big weddings and I believe elopements are my calling. I love how relaxed and intimate they are.

Enough about me...I want to learn more about YOU!

FLORISTRY

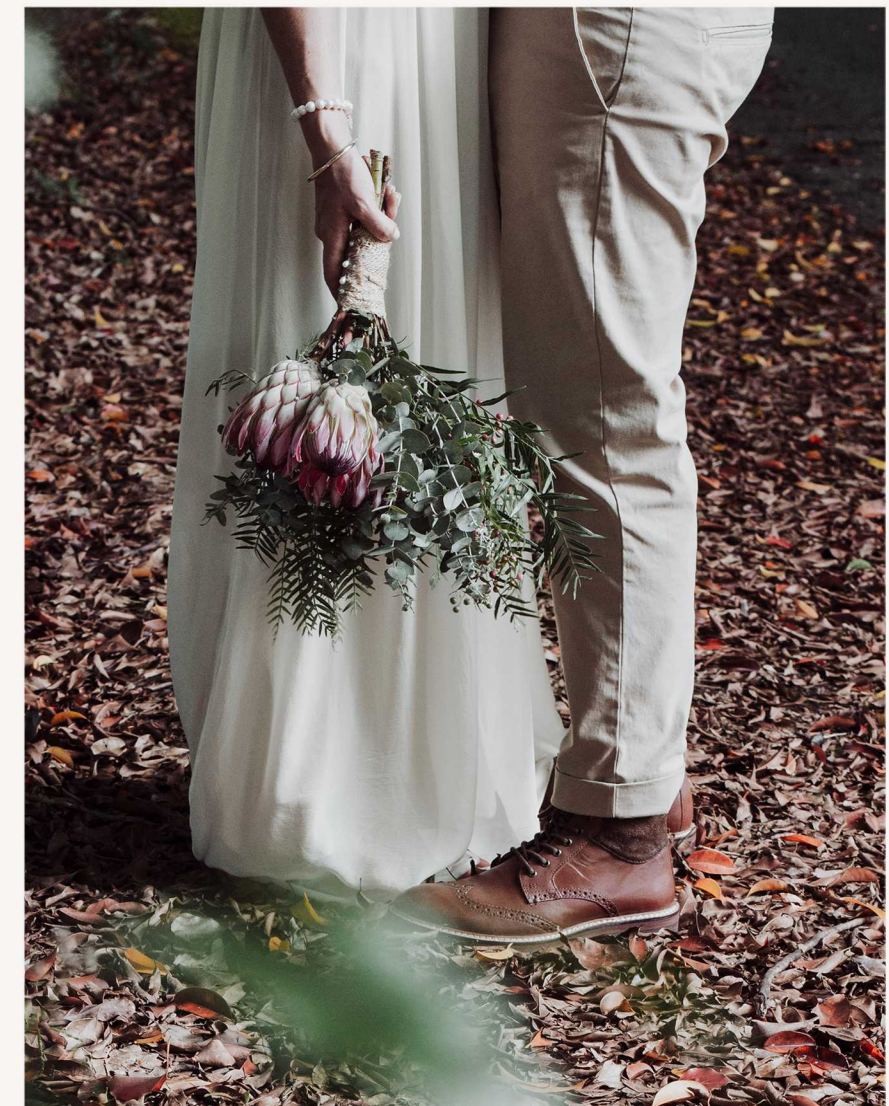

We all have our favorite flower, season or colour pallet. What we do at Boho Elope is take your favourite florals and incorporate them into your selected designs.

You simply let us know your top three favorite flowers, colour pallette, shape and style of bouquet you would like (found in the catalogue), and our florist will get to work creating your bohemian wedding florals. It's that easy. If we cannot acquire any of your top three flowers due to season, shortages or any other issues, I will contact you to make alternative arrangements using your colour pallette as inspiration. The entire process is simple and streamlined to make this experience completely hassle free for you.

Your selections are all done via my easy to use questionnaire and the accompanying catalogue. If you have any extras you would like to add, such as a particular colour ribbon, a mementos, feather, etc., you can add it during the questionnaire.

Our florist will deliver your bouquet to your venue/room on the day of your elopement so that you are ready to tie the knot with your flowers in hand, and all you had to do is click a few buttons.

There is a range of floral extras you are welcome to add on to your Boho Elope package. Check out the extras page for more details.

“If we could see the miracle of a single flower clearly our whole life would change.”

CELEBRANT / CEREMONY

Your ceremony will be completely unique to you and your love story. Choose one of our hand-selected celebrants who will contact you to organise all the legalities and help you with writing your vows.

We want you to experience the joy, laughter and tears that come with this truly special celebration on love, so we have taken care of everything for you.

Our celebrant will ensure your ceremony runs smoothly and your guests (if you are having them) can hear your sweet vows loud and clear, by providing a fully equipped PA system and microphone.

You can have a simple ceremony or include a special ritual such as hand-fasting or sage smudging. You can chat about these options with your celebrant.

If it is just the two of you on the day, two witnesses can be provided for you. The Photographer and their assistant, or someone from the beauty team can stay and celebrate your ceremony with you.

Our celebrant fees slightly vary, we will let you know if there are any additional costs outside of your chosen package.

PHOTOGRAPHY

When it comes to photography, our Photographer specialises in boho photography, that beautiful heart-felt documentary style that we all know and love.

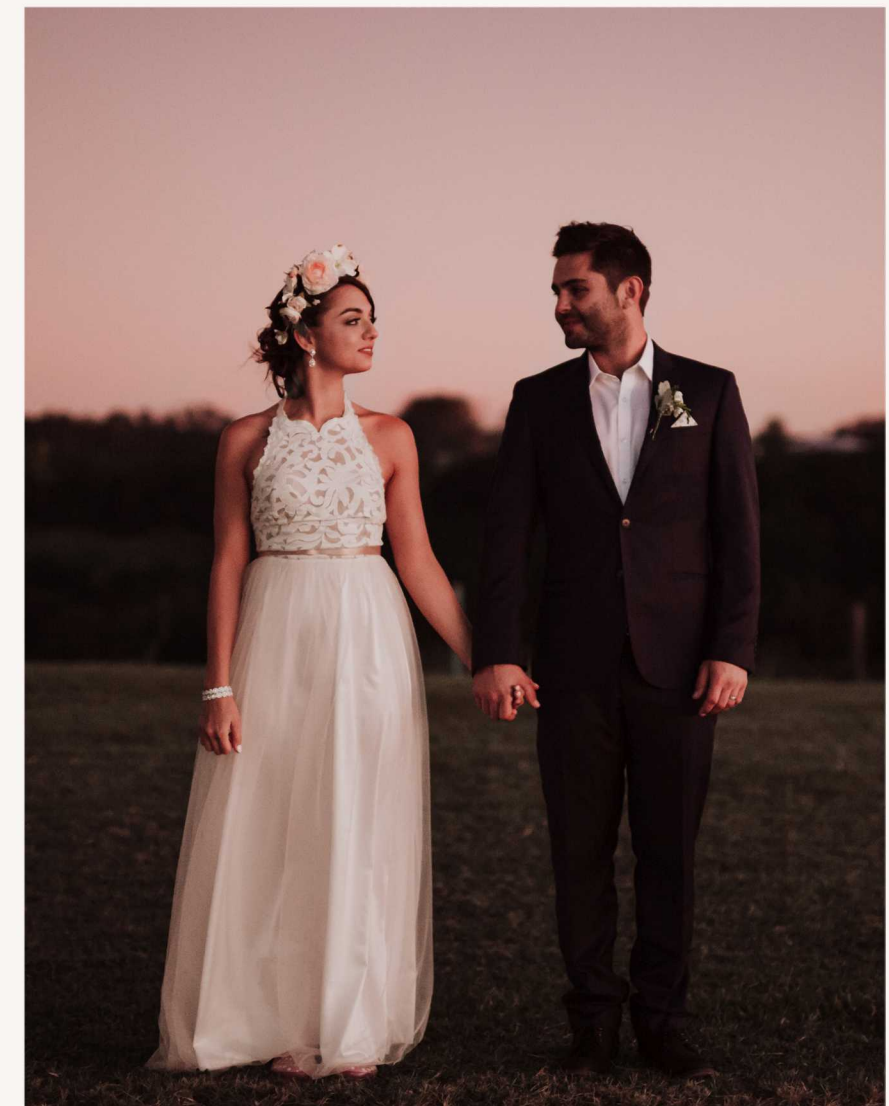

Within your 2 hour time frame (depending on your chosen locations), we can photograph preparations, ceremony, a small amount of family portraits (if you are having guests), your couple portraits and even your picnic session if you choose to add this on.

An elopement ceremony is normally shorter than a traditional ceremony, so this allows us to capture more candid ceremony moments and couple portraits. We will capture all the important moments during and after your ceremony, and you will have plenty of time to relax and enjoy.

After the signing, your small amount of family portraits will occur. If you are not having these, we will move on to your couple portraits. Your couple portraits will be taken around the grounds of your elopement location, or we can travel a short distance if needed. If you have added on a picnic set, we will then head over to that area and photograph as well.

Your images will be edited and uploaded to your private online gallery where you can view and download the high resolution images. The gallery will only be available for a short time so please download ASAP. If you would like to add on any image display options, such as albums, canvas's and or prints, we can chat about this before or after the day, the choice is yours.

It can take 4-6 weeks to have your gallery ready.

“Taking an image, freezing a moment,
reveals how rich reality truly is.”

A: Yes you can. The cost of an extra hour is \$500.

Q: What is the booking fee and your cancellation policy?

If there are special circumstances such as a pandemic, please let me know and I can help you.

A: We are unable to provide a location for you, but we can suggest some. We do work closely with a few stunning local venues that also provide accommodation.

A: If you are having your elopement within the Tweed Valley, then there is no extra travel costs. If your location is outside the local area, there may be an additional travel fee added.

Q: When you say 'editing', what does that include?

A: Your images will be carefully colour corrected, cropped, lighting adjustments applied, contrast tweaked and edited in my signature style. I also apply a mild skin smoothing to all images to reduce pores and lines (this is not re-touching). Re-touching is available and is an extra service. I am happy to quote you for any re-touching.

Q: Do you offer payment plans?

A: Yes. You have the option to pay your booking fee with at least 50% of the remaining balance due 14 days prior to the wedding. I offer an extension of 8 weeks after the wedding to finalise the balance. No images or previews will be received until the balance is paid.

Q: How do we book our wedding date?

A: Simply send me a message and I will get the booking process started for you. To confirm your booking a \$500 booking-fee and a signed contract are required. This amount is part of the total cost.
